

विषय: **Minutes of Meeting held on 10-06-2022 of the National Working Group 9 (NWG-9) corresponding to ITU-T Study Group 9 for the Study Period 2022-2024**

Second meeting of the reconstituted National Working Group-9 (NWG-9) corresponding to the ITU-T Study Group 9 (SG9) for Study Period 2022-24 regarding "Audio visual content transmission and integrated broadband cable networks" or "Broadband Cable and TV" was held on 10-06-2022 on CDoT VC platform. List of participants is placed as ANNEX.

Shri Avinash Agarwal, Chairman NWG-9 and DDG (C&B) TEC, welcomed the participants and keeping in view that some of them were participating for the first time, requested them to introduce themselves. The participants gave their introduction and shared information about their areas of work.

Shri Avinash Agarwal, informed that the SG-9 meeting is scheduled from 05-09-2022 and emphasised that our contributions should be ready preferably by 06-07-2022 i.e. 2 months before the meeting. He informed that once the contributions are ready, they have to be discussed in the NWG-9 meeting and then processed for administrative approval before uploading on the ITU-T portal. Deadline for uploading on ITU-T portal is usually two weeks before the commencement of the SG9 meeting. We may prepare our contributions keeping in view the time taken at every stage.

Dr. Pradipta Biswas, IISc Bengaluru and Vice-Chair NWG-9, who is also the Vice-Chair SG-9, informed about the ITU site, the TIES account, how to contribute and how the whole process goes from starting till end.

Shri Rajiv Khattar introduced himself and informed that he would like to work on Q11/9.

Dr Mahima Arrawatia, IIT Guwahati introduced herself and informed that she would be interested to work on Question 6/9.

Shri Pallab Dutta, C-DoT showed interest in questions Q2/9, Q6/9, Q8/9 and informed that his first priority will be a technical paper that he is writing alongwith TEC.

Sh. Navin, Samsung told they have reviewed every question but could not find anything work item related to their field of work. Chairman NWG-9 requested to examine if we may propose a new work item in an existing question.

Dr. Pradipta Biswas encouraged and invited participants to take management positions in SG-9 and volunteer for working in ITU-T.

Shri Avinash Agarwal proposed to expand the Management Group of NWG-9 and also create Working Parties. It was collectively decided that this matter may be further discussed in the next meeting.

He shared the NWG-9 page recently created on the TEC website with the participants and informed that all related information about SG-9 and NWG-9 can be accessed from this page. He also discussed why someone should contribute to NWG and what are its benefits to all.

It was decided to create a WhatsApp group of NWG-9 members for faster communication. Director (C&B-II) to take action. Members were requested to post only NWG-9 related messages on the group.

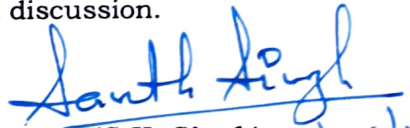

The key points which emerged from the meeting are:

The members decided their respective field of interest and the questions that they will be working on.

Timelines for preparing contributions may be followed so that the Indian contributions could be submitted on time for the ITU-T SG9 meeting.

The contributions may be treated as a continuous process by working on it on regular basis and more interactive process though a chat group will be commenced.

1. The meeting ended with thanks to the participants for fruitful discussion.

(S.K. Singh) 15/06/2022
Convenor NWG-9
& Director (C&B-II)
