Minutes of meeting

Subject: Draft Minutes of the 3rd meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group-12 regarding Performance, Quality of Service (QoS), Quality of Experience (QoE), held on 23rd June, 2022-reg.

1. The Third meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group 12 regarding "Performance, Quality of Service (QoS), Quality of Experience (QoE)" was held on 23-06-2022 (online) under the Chairmanship of Sh. Abdul Kayum, DDG (6G Technologies), TEC.
2. A brief of previous meetings was presented to Members and the importance of contributions were highlighted.
3. Outcome of SG12 (7-17 June) meeting at Geneva was shared and discussed as follows:
 - a. **ITU-T E.AIQ-** Artificial Intelligence Quotient (AI-Q) for indexing and rating AI algorithms used in conversational AI systems Indian contribution:

E.AIQ work item received one (1) contribution from India C52R1. C52R1 was discussed on 9th June 2022 and it was realized that new information was added mainly in Summary and Scope chapters but also in chapter number 7 and 8 of the main documents.

During the discussion, some questions were raised by members on this work item; especially the **title and scope of work** which may be considered for review.

The other issue which came for discussion was **fitment of the E.AIQ under question 12**. A joint meeting of Rapporteurs Q7, 12 and 13 was proposed but could not properly materialize. Now, an e-meeting will be held. Q7 Rapporteur offered to contribute in the section 10.

The updated baseline text of the E.AIQ work item is available in the TD119R1.

b. ITU-T E. QoEL-QoE Labelling of building for wireless networks

The two contributions (C43 from Mexico and C46R1 from India) are regarding measurement and evaluation of QoE (Quality of Experience) of wireless networks. Both contributions were discussed in the same Q12/12 session on Friday 10th June 2022. These contributions were merged into single with a new title **“E.MVS-Mapping and visualization strategies for the assessment of connectivity and QoS”**.

The A.1 Justification is available in the Annex C of the status report of Q12/12 (TD96R2) while the

c. C49 Rev1 (from India)

The contribution 49R1 from India was to enhance and support the discussion initiated by Enablers DMCC in contribution C601 during the last SG 12 meeting in October 2021.

Outcomes:

The meeting concluded that contributors of C601 and C49Rev should work out a clear proposal for a new or revised ITU-T Recommendation. The new proposal should be discussed during the next Rapporteur Interim Meeting to be held in **Jordan in October 2022**.

d. Q20/12 (SG12-TD74R3):

Contribution C-0015 “Proposed structure for draft new Recommendation P.DFS_Inter” (TD74) was presented and discussed. *The Delegate from India promised to share a 3-dimensional matrix for test scenarios.* the development of perceptual and field evaluation principles for quality of service (QoS) and quality of experience (QoE) of digital financial services (DFS) and requests for the further identification of related tasks and their inclusion in an operational plan

This document presents the proposed summary and the structure (headings only) of the new Recommendation P.DFS_Inter.

Shri Venkata Rama Raju Chelle, participated in 7-17 Geneva meeting, committed for contribution. Other members to contribute.

e. A new contribution titled as “Framework for Enhanced Quality of Experience by using Cultural and Emotional Context in Applications based on Natural Language understanding” by IIT Delhi Team comprising of Professor Brijesh lall, Shri Amit Oberoi and Shri Vinti Nayar was presented by Shri Amit Oberoi.

Chairperson suggested contributors to go through ITU-T P.851 and P.SEC documents and have further discussion on this contribution in next week.

- f. Members were requested to continue adding contributions to Indian contributions till it is consented.
4. Members were asked to submit the corrections in the existing contributions and get ready for submission for the next meeting of ITU-T SG12 scheduled 8-16 January 2023 at Geneva.
