

No. 28-1/2022-MT/TEC
Government of India
Ministry of Communication
Department of Telecommunications
Telecommunication Engineering Centre
Khurshid Lal Bhawan, Janpath, New Delhi – 110 001

Dated: 15-06-2022

Subject: Minutes of the meeting of NWG-13 held on 13-06-2022

Meeting of the NWG-13 - "Future Networks and Emerging Network Technologies" was held on 13-06-2022. List of participants is annexed (**Annexure-I**).

2. At the outset, Sh. A. S. Verma, DDG (MT), TEC and Chairman of NWG-13 welcomed all the participants and briefly discussed about the highlights of the last meeting held on 26-05-2022.

3. Thereafter, the contributors were asked to present their proposed contributions to the NWG-13, details of which are as follows:

- a. Proposal to initiate a new work item on "Architectural framework for NGN evolution for IMT-2030 by extending SDN paradigm to the Network control plane" (**Annexure-II**) – This proposed contribution was presented by **Ms. Rashmi Kamran, IIT, Bombay**.
- b. Draft Supplement Y.Supp-AN-Use Cases: "Use cases for Autonomous Networks" (**Annexure-III**) – This proposed contribution was presented by **Mr. Vishnu Ram OV**
- c. Draft new Recommendation Y.ML-IMT2020-SANDBOX "Architectural framework for Machine Learning Sandbox in future networks including IMT-2020" (**Annexure-IV**) – This proposed contribution was presented by **Mr. Vishnu Ram OV**
- d. Proposal for initiating a new work item on "Trust Registry for Devices and Applications: requirements, architectural framework" (**Annexure-V**) – This proposed contribution was presented by **Mr. Sharad Arora**
- e. A.1 Justification for new work item "Trust Registry for Devices and Applications: requirements, architectural framework" (**Annexure-VI**) – This proposed contribution was presented by **Mr. Sharad Arora**

4. NWG-13 members suggested some changes during the above-mentioned presentations. It was desired that the updated documents based on the discussion in the NWG-13 meeting shall be forwarded by the respective contributor through e-mail to the NWG-13 Secretariat latest by 16.06.2022, so that the same could be processed for seeking necessary approval of Competent Authority before submission to ITU-T SG-13 within given deadline.

5. The Chairman, NWG-13 thanked all the contributors for their hard work. The Chairman, NWG-13 also requested the members to examine the ongoing study items in the ITU-T SG-13

and try to contribute as far as practicable so that Indian requirements get included during the Standardization process. It was also requested that the members may choose to initiate new work items as well under the various Study questions of ITU-T SG-13.

6. It was also suggested that the members may like to attend the ITU-T SG 13 meetings either physically or using remote participation facility of ITU-T. For remote participation as well as for accessing ITU-T documents, there is a need to have ITU TIES account access. The NWG-13 members are advised to go through the ITU-T website for getting the TIES account access and submit their request to NWG-13 Secretariat for facilitating the same. Also, the members are required to intimate their willingness to attend ITU-T SG-13 meetings to the NWG-13 Secretariat for facilitating necessary approval of Competent Authority before such meetings.

7. The meeting ended with vote of thanks to the chair.

List of participants

(Sh. / Ms.)

1. A. S. Verma, DDG (MT), TEC- on Chair
2. Sridhar CV, TCS- Vice-chair
3. Ravinder Kumar, Director (MT-II), TEC-Convener
4. V. K. Roy, Director (MT-I) , TEC
5. Jyoti Roat, ADET (MT) , TEC
6. Dayanand Kumar, AD (MT) , TEC
7. Sushant Kumar Jha, RA (MT), TEC
8. Pranay Diwakar, DoT HQ
9. Abhijan Bhattacharyya, TCS
10. Radhika P.
11. Sharad Arora
12. Vishnu Ram OV
13. M.Rajith Ali, SIA-India
14. Rashmi Kamran, IIT Bombay
15. Praveen Jayachandran, IBM
16. Suresh V, C-DAC
