File No.: 5-2/2021-TS/TEC

Dated: 12.05.2022

Subject: Minutes of meeting of National Working Group-17 held on 09.05.2022.

The First meeting of National Working Group -17 was held on 9th, May 2022 at 4PM for the 2022-2024, ITU-T session. The members from Industry, Association, Academia (IIT - Bhilai, IIT - Patna, IIT- Madras), National Security Council Secretariat (NSCS), C-DoT and various units of Department of Telecom viz. DoT HQ, TEC, NCCS participated in the meeting.

1. At the outset, Sh. Shashi Mohan, DDG (TS), TEC and Chairman of NWG-17 welcomed the participants and highlighted the agenda for the meeting. He emphasized the motive of the NWG17 and urged members to provide ITU T Contribution which is useful for country.
2. Sh. P.K. Singh, DDG(SA), DoT HQ and Vice-Chairman of ITU-T SG 17 delivered his talk and discussed about work plan for the agenda items which were decided and finalized in recently conducted WTSA 20 meeting. He has also briefed about the various activities of ITU-T Study group-17 such as, Data Security, Security Management, Security Architecture and Frameworks, Countering Spams, Identity Management, Quantum based Security of duplication and services in the areas of Internet of Things, Smart grid, Smart Network, Social media platform, Cloud Computing, IPTV, Tele biometrics etc. He has also emphasized on SG-17 documents such as ITU-T security manual and its importance. He has briefed about ITU-T work plan which has been finalized for 2022-2024 and required to be followed in regular deliberation. He also emphasized that the scope of study in Study Group-17 is vast and contributions are invited from the members as per their area of interest in order to increase representation of India in the standardization sector.
3. Mrs. Preetika Singh, ADG (TS) then briefly gave the presentation of National Working Group - 17, its lead role and Mandate, Questions under Study, recent major ITU Contributions, and planned Contributions by TEC for next Study Group -17 meeting. Subsequently a draft on X.SC.DLT (Security Control in Distributed Ledger Technology) was presented for briefing about the structure of ITU-T contributions. Inputs were invited on this work item also by all the National Working Group - 17 members (preferably within 15 days). A brief navigation of SG-17 in ITU-T website was also demonstrated to all members.
4. DDG(SA), DoT, also informed all members that creation of a TIES (Telecommunication Information Exchange Services) account is necessary for all participants to access the Draft work items on ITU-T website. DDG(TS) has urged all members to create the TIES account

in order to access the work items. ADG (TS) has briefed about the procedure of creation of ITU TIES account, in ITU-T website. However, in the meantime, they can send the list of work items to TEC and the downloadable work items will be sent back to them by TEC itself.

5. Sh. Kishore Narang representing M/s Narnix Technolab Pvt Ltd. stated about his note on "A Comprehensive and Granular Cyber Security Architecture". It was asked that mail of proposal may be sent to TEC, which will then be discussed in the next NWG-17 meeting with inputs.
6. DDG(TS), TEC urged for more nominations from Industry and especially, Startups, may be included in NWG-17. In relation to this DDG(SA), DoT has asked COAI representative to include more Industry nominations in the NWG-17.
7. Request was raised by Members from IIT Bhilai and IIT Patna for mailing list and contact details of all members of NWG-17 in order to facilitate for developing of contribution. DDG(TS) has assured that a contact list of all members along with the presentation will be shared through mail. He has also stated that any query regarding creation of a TIES account may be sent to TEC/DoT through mail.
8. At the last Sh. Sandeep Kumar Vijaivergia, DIR (TS), TEC delivered the Vote of Thanks to all the members and requested members to send the inputs within 2 weeks so that the next meeting of NWG-17 may be conducted in the 2nd week of June, 2022.
