File No.: 5-2/2021-TS/TEC

Dated: 09.02.2023

Subject: Minutes of meeting of National Working Group-17 held on 07.02.2023.

The Sixth meeting of National Working Group -17 was held virtually on 7th February, 2023 at 02:30 PM onwards. The members from Industry, Association, Academia (IITs), National Security Council Secretariat (NSCS), C-DoT and various units of Department of Telecom viz. DoT HQ, TEC, NCCs participated in the meeting. The list of participants is placed at Annexure-I.

1. To begin with, Sh. P.K.Singh, DDG (SA), DoT and Vice-Chairman of ITU-T SG17, welcomed all the participants and brief the participants about the agenda of the meeting.
2. Ms. Preetika Singh, Dir.(TS) then briefed the NWG 17 members about the contributions which were sent for approval of competent authority for onward submission in upcoming ITU-T SG-17 meeting. The contributions sent for approval are as follows:
 - i) Proposal for contribution pertains to Q2/17 work item *X.5Gsec-srocv*s: "Security Requirements for the Operation of 5G Core Network to Support Vertical Services",
 - ii) Proposal for contribution pertains to Q14/17, Proposal for inclusion of text in for *X.sc-dlt*: "Security controls for distributed ledger technology, and
 - iii) Proposal for contribution pertains to Q6/17 work item *SG17-TD616X.sc-iot*; "Security Controls for Internet of Things (IoT) systems".

However, regarding the fourth work item proposed by Sh. Manas Kumar Panda, ADG, and NCCS under Q7/17 on *X.5Gsec-ss*: Security Requirement and guidelines for Software security including OSS, inputs were received that this document requires further refinement before submission in ITU-T SG-17 meeting and may also be planned to be included as Annexure in ITU-T X.1214. Hence refined version may be planned for submission in next SG-17 meeting.

3. Mr. Kishore Narang from M/s Narnix Technolabs Pvt. Limited submitted his contribution by email on 03.02.2023, for inclusion as revised baseline text on Work item *X.Arch-Design*: Design principles and best practices for security architectures. This pertains to Q1 of Study Group-17. The contribution was circulated to all members and inputs were invited. Since last date for submission of contribution was 08.02.2023, a meeting of all the NWG-17 members were held on a very short notice on 07.02.2023 to discuss the submitted contribution.
4. Mr. Kishore Narang from M/s Narnix Technolabs Pvt. Limited presented his contribution Work item "X.Arch-Design: Design principles and best practices for security architectures" pertains to Q1/17.

5. During his presentation, inputs received from the majority of the members deliberated and subsequently, it was decided that the inputs received from the members needs to be incorporated and document needs further refinement. Hence, the proposed contribution may be planned for submission in the next ITU-T meeting.
6. It was again requested to all the members to submit their contribution well before in advance, so as to enable proper deliberation in NWG-17 meeting.
