No. 26-1/2022-FA/TEC

Date: 03.02.2023

Subject: Minutes of fourth meeting of "National Working Group (NWG)-15 corresponding to ITU-T Study Group (SG)-15 held on 30.01.2023.

The fourth meeting of National Working Group (NWG)-15 corresponding to ITU-T Study Group 15 regarding *"Networks, Technologies and Infrastructures for Transport, access & home"*, reconstituted for the Study Period 2022-24, was held on 30.01.2023 under the chairpersonship of Sh. Rakesh Desai, DDG(FA), TEC through video-conferencing. List of participants is placed at Annexure-A.

2. At the outset, Sh. Deepak Pathak, Director (FA) TEC & Convener of NWG-15, welcomed all the participants and briefly explained about the discussions held during the previous meetings. He briefly informed the members about the Agenda of the meeting and made a presentation on the activities of NWG-15 / ITU-T SG15 and achievements of NWG15 in submitting contributions at ITU-T SG15 leading to be part of the final recommendations of ITU-T. He also highlighted the question-wise possible areas of contributions and requested the members to come forward with more ideas and suggestions in this regard. He apprised the participants regarding ongoing activities of FA division in formulation of Standards in the areas of Radio Over Fibre (RoF) Systems, Li-Fi technology, etc and also requested the members to give their suggestions / inputs on the work-items to be taken up by TEC during 2023-24 as part of Annual Action Plan.

3. Sh. Rakesh Desai, Chairman NWG-15 & DDG (FA) TEC, greeted all the members in his first NWG-15 meeting and briefly introduced himself. He, in his opening remarks, appreciated the work done by the NWG-15 members in respect of ITU-T SG15 contributions. He further mentioned that such achievements could not be possible without the collaborative effort of the entire NWG-15. He mentioned that the contributions from NWG-15 members in ITU-T need to be enhanced. He requested the members to study all the questions of SG15, identify the work items that are relevant for India, and work upon submitting more contributions in ITU-T SG15 to address the India specific concerns and to ensure wider acceptance of Indian standards globally. He further interacted with each member present in meeting on their interest area and expertise in the subject matter and ensure that TEC would extend all possible supports to the members to make visible India's imprint in the ITU-T SG15 activities.

4. Sh. Desai also briefly explained the latest WTSA (World Telecommunication Standardization Assembly) resolutions and requested the members to examine the resolutions and propose amendments or new resolutions pertaining to SG15. He pointed out that India has proposed to host the next WTSA to be held in 2024.

5. Sh. Sharad Trivedi, DDG (CS), DoT HQ emphasized to work upon the contributions that

strengthens DOT policies and goals / strategies outlined in NDCP-2018. He also mentioned the need to have more representation from academia and industry in NWG-15.

6. Sh. Sudipta Bhaumik, Lead-M/s STL & Vice- Chairman, ITU-T SG15, apprised the members about the process of submission of contributions at ITU-T and various timelines. He informed that M/s STL, being a sector member of ITU-T, has started participating in the correspondence discussion of some of the standards under Q5/15 & Q7/15 and also posted their comments/ edits on the draft ITU-R Rec. G.650.1 and L.312/L.68 in r/o Q5/15 & Q7/15 email reflectors respectively. He further suggested that NWG-15 can work on the draft L.250/L.90 (Topologies of optical access network) and may submit a contribution on 'Indian Experience' based on the topologies of the access network in the country.

7. Sh. Desai shared the latest draft L.250/L.90 as referred by Sh. Bhaumik for discussions and deliberations among members. He suggested to form a focus group to take forward this possible contribution in time-bound manner. After discussions and deliberations, a working team consists of the members viz. Sh. Rakesh Desai, Ms. Mudita and representative (s) TSPs has been formed to prepare the draft Recommendation on – To include Appendix reg Indian experience to the L.250/L.90 “Topologies of optical access network”. He also requested the members to submit their inputs on optical access network topologies in India by 15th February 2023. This focus group may submit draft contribution by **18th February 2023**.

8. Sh. Desai mentioned that Sh. Vijay Dixit, Ms. Mudita from TEC and a new member Sh. Hardik Soni from M/s Navtechno had jointly shared a draft contribution for Q6/15 on “Free Space Optical Communication (FSOC)”. He also informed that Sh. Abdul Kayum and Sh. Avadhesh Singh from TEC has shared their draft contribution on similar subject stating that it will define system, functional and engineering requirement for establishing FSO transmission systems including co-located FSO systems. Both the draft contributions have been shared with NWG-15 members. Looking into the content of draft contribution of other members, Sh. Vijay Dixit / Ms. Mudita consented to withdraw their draft and agreed to give their inputs / suggestions to the respective contributors to take forward new work-item on FSOC. Sh. Hardik Soni was also requested to furnish his inputs / comments on the draft on FSOC. The contributors viz. Sh. Abdul Kayum and Sh. Avadhesh Singh were requested to further improve upon the contribution on the basis of the inputs from the members and submit the revised draft by **18/02/2023**.

9. Sh. Rakesh Desai informed the members that TEC is developing the Standards Coordination Portal of TEC on the lines of ITU-T Portal to facilitate Indian contributions to various global standardisation organisations and stated that this portal will act as a platform to share the information and collaborate on the standards development activities. He mentioned that this portal will be a good repository of work done by the members and will serve as a knowledge resource of high-quality standards and technical reports in the areas of information and communication technologies (ICTs) for members and non-members as well as for students and researchers.

He demonstrated salient features of the portal like chatbot, outreach, email subscription, etc. to the members and also explained how to register as portal member, upload contributions, and get access of the information related to all activities of NWGs on the portal. He stated that this portal is at present under testing and will be ready by the end of this month. He said that once the portal is ready, members of NWGs will be requested to enroll on the portal and be familiar with various functions and features of the portal.

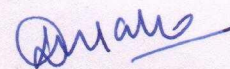

10. Sh. Desai noticed that many members are not attending the NWG15 meetings regularly. He requested all the members to participate actively in group activities and to identify relevant experts and suggest the names of the subject experts from OEMs, Industry, Association, Start-ups, academia, practitioners, research scholars, etc. so that such nominated expert may be requested to become a member of the NWG15 group.

11. Sh. Desai summarised the inputs of the members in respect of the group activities and developing draft contributions. He highlighted that the next meeting of ITU-T SG15 is scheduled from 17th to 28th April 2023 and last date to upload contributions on ITU-T portal is 4th April 2023. He stated that finalised draft contributions would be uploaded on ITU-T website within the prescribed time after approval of the competent authority in D/o Telecommunications and therefore, NWG-15 has to finalise the contributions by 15th March, 2023. He proposed that the next (5th) meeting of NWG-15 may be scheduled on Tuesday, 21st February 2023

12. **The key action points emerged from the meeting are as under: -**

- a) As discussed at Para 7 above, a working team consists of the members viz. Sh. Rakesh Desai, Ms. Mudita and representative (s) from TSPs, has been formed to prepare the draft Recommendation on Q7/15 – To include Appendix reg Indian experience to the L.250/L.90 “Topologies of optical access network”. Members are requested to submit their inputs on optical access network topologies in India by 15th February 2023. This working team may submit its draft contribution by **18th February 2023.**
- b) As discussed at Para 8 above, the contributors of new work-item on FSOC in r/o Q6/15 may furnish the updated draft contribution by **18th February 2023.**
- c) Members may study all the questions of ITU-T SG15 and come forward to increase number of Indian contributions in ITU-T SG15.
- d) Members may suggest the names of experts from OEMs/ Industry/ Association/ Start-ups/ academia/ practitioners/ students/ research scholars that can be added in the group.
- e) Members may examine the WTSA (World Telecommunication Standardization Assembly) resolutions and propose amendments or new resolutions pertaining to SG15.

13. The meeting ended with the vote of thanks to the chair.

(Deepak Pathak)

Convener, NWG-15 & Director (FA), TEC

To,
All the participants / Members of the NWG-15.

Cc,

1. Sr.DDG, TEC for kind information.

List of Participants

1. Sh. Rakesh Desai, Chairman NWG 15 & DDG (FA), TEC
2. Sh. Abdul Kayum, DDG 6G Technologies, TEC
3. Sh. Sharad Trivedi, DDG (CS), DoT Hq, Delhi
4. Sh. Sudipta Bhaumik, Lead -Technology and Presales, Optical Networking Business, India ,
M/s Sterlite Technologies Limited& Vice- Chairman, ITU-T Study Group 15
5. Sh. Hardik Soni, M/s NavTech
6. Sh. Rajeev Chaturvedi, M/s Duraline
7. Sh. Jishnu Parameshwaran, M/s Netlink ICT
8. Sh. Dr. Ajay Somkuwar
9. Sh. Arvind Kansal
10. Sh. Roshan Kumar, M/s Sterlite Technologies Limited
11. Sh. Ravi Bhargava
12. Sh. Saurabh Nagpal
13. Sh. Deepak Pathak, Convener NWG-15 & Director (FA), NWG
14. Sh. Avadhesh Singh, Director (TC), TEC
15. Sh. Rajmohan Meena, ADG (FN), TEC
16. Sh. Naveen Khichar, NTIPRIT
17. Ms. Mudita Chandra, ADET (Tx), TEC
