No: - 4-2/2022-IT/TEC/NWG16

Date: 28-11-2022

Subject: Minutes of National Working Group-16 meeting held on 24.11.2022

The third meeting of the NWG-16 was held on 24.11.2022 at 02:30 PM on the C-DoT VC platform. The list of participants is attached as Annexure.

DDG(IT) TEC, Chairman of NWG-16, gave the welcome address. He encouraged the members to contribute to questions of ITU-T SG-16 with respect to India's perspective.

Afterwards, Director(IT) TEC and Convenor of NWG-16 greeted the participants and apprised the members about the agenda of the meeting, i.e. discussion about the contributions against the questions selected. He also mentioned about the last ITU-T SG16 meeting held in Geneva during 17th-28th Oct, 2022 and encouraged the members to prepare contributions for next ITU-T meeting. He gave the presentation which included information about the responsibility of NWG-16, the questions under study in ITU-T SG16 for study period 2022-2024 and the questions which were chosen by the NWG-16 members for contribution during last meeting.

S No.	ITU-T SG Question	Interest shown by
1.	Q5/16 (Artificial intelligence-enabled multimedia applications)	Prof Brejesh Lall, IIT Delhi Dr Pimmy Gandotra
2.	Q8/16 (Immersive live experience systems and services)	Mr Chandra Kumar Chettiar, M/s Optimuslogic Systems
3.	Q13/16 (Content delivery, multimedia application platforms and end systems for IP-based television services including digital signage)	Dr Rajarshi Roy, IIT Kharagpur
4.	Q27/16 (Vehicular multimedia communications, systems, networks, and applications)	Dr Rajarshi Roy, IIT Kharagpur

Prof. Rajarshi Roy, IIT Kharagpur shared some ideas as initial contributions against Q27/16 and Q13/16.

Regarding **Q27/16**, he mentioned about Vehicle-to-Vehicle (V2V) and cellular Vehicle to Everything (CV2X) with respect to IEEE 802.11p standard. He discussed that he would like to work on the buffer management which could make the system much better.

Regarding Q13/16, he mentioned about methodology about stream loading in mobile video content delivery and some patent work in US having temporal solution for pull based communication problem. He discussed that he would like to contribute for pre-push of content even before pull-based so that it would be easy for the receiver using spatial solution instead of time based solution.

Sh. Chandra Kumar from M/s Optimuslogic mentioned that he is working on Q8/16 and has no update to share in this meeting.

Sh. Keerthi Lal, M/s SUN Group could not attend the NWG-16 meeting on 24.11.2022 but he has conveyed vide email dated 24.11.2022, that he would be contributing for Q5/16 and Q27/16. He has been advised vide email to identify the work item against which his contributions would map.

Director(IT) mentioned that the members may see the detailed procedure of submission of contributions as was shared by Director(WA) in first NWG-16 meeting. The members were asked to identify the work item against which their contributions would map.

DDG(IT) gave the vote of thanks to the participants and mentioned that he hope to receive more contributions which are beneficial for India.

This issues with the approval of DDG(IT) TEC.
