F.No. -1-3/2022-IoT/TEC

Dated: 27.04.2023

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C) " for the Study Period 2022-24, held on 29th March 2023, 2:30 PM.

The eighth virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 29th March 2023 at 2:30 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that-

- a. This is the first meeting of NWG-20 after ITU-T SG-20 meeting in Jan-Feb 2023.
- b. Question 2/20 Rapporteur's e-meeting is scheduled on 3, 5 and 6th of April 2023.
- c. Officers of IoT division and few industry members (from TCS, Idemia, Mashmari and SIA India) participated in ITU-T SG-20 meeting, Geneva, 30 Jan- 10 Feb 2023. **Total six contributions were submitted from India in this meeting.** The significant outcomes of this meeting are as following: -
 - i. Work item on ***IoT and ICT Requirements for deployment of smart services in rural communities*** approved as ITU-T standard and is under publication as **ITU-T Recommendation Y .4218 (02/2023)**. Mr. Sushil Kumar, DDG (IoT) and Ms. Namrata Singh, ADG (IoT) worked as editors in this work item.
 - ii. **Indian proposal for Creation of ITU-T SG20 Regional Group for Asia Pacific region** approved by ITU-T SG-20, resulting in **creation of this group** and also the name of Mr. Sushil Kumar, DDG (IoT) approved as the Chairman of this regional group.
 - iii. New work item ***Requirements, capabilities and architectural frameworks for e-learning in remote classrooms*** approved by ITU-T SG-20.
 - iv. Three other contributions in this meeting related to *Smart Agriculture use cases, Smart education and Industrial IoT* were well appreciated and included with minor modification in the related TDs.

- d. As per the directions of Secretary (T), TEC has to make LSAs (field units of DoT) aware about the ITU-T activities and involve them in the development of contributions being submitted in ITU-T Study groups. DDG (IoT) has been assigned as the nodal officer for Karnataka and Tamilnadu LSAs, so meeting invite was sent to the officers of both these LSAs to participate in NWG-20 meetings.
- e. For the benefit of new members, he apprised members about the structure and working of ITU and its Study Groups.
- f. The next meeting of ITU-T SG-20 is scheduled from 13-22 September 2023 in Tanzania (details available on <https://www.itu.int/en/ITU-T/studygroups/2022-2024/20/Pages/default.aspx>).
- g. The ITU webpage link for accessing SG-20 documents is <https://www.itu.int/md/T22-SG20-230130/sum/en>. Members may visit this webpage and send the document number, title and related question of the document(s) of their interest to TEC. These documents will be downloaded and shared with the concerned members, in the interest of time, as creation of TIES account generally takes time.
- h. The 1st Meeting of ITU-T SG20 Regional Group for Asia Pacific region (SG20RG-AP) has been planned tentatively on 25-26 July 2023 in virtual mode. All the members having TIES account are requested to subscribe to its mailing list (details available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>) for getting updates about this regional group. Those not having TIES account and interested in participating in these meetings may intimate.

2. Following members expressed their interest to contribute in following work areas:
