F.No. -1-3/2022-IoT/TEC

Dated: 12.07.2023

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C)" for the Study Period 2022-24, held on 10th July 2023, 11:30 AM.

The 11th virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 10th July 2023 at 11:30 AM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure -1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that:-

a. In the last ITU-T SG-20 meeting held in Jan-Feb 2023, **Regional Group for Asia Pacific region (SG20RG-AP)** was created based on the Indian contribution and its chairmanship has been given to India. **The first meeting of this Regional Group has been planned on 25-26 July 2023 in virtual mode.** E-mails have been sent to the officers of DoT covering H/Q, field units, NTIPRIT, NICEF, CGCA etc. and Working Group members for participation in this meeting.

All the members having TIES account are requested to register for ITU-T SG-20 RG AP meeting, virtual, 25-26 July 2023 by clicking "Registration" Tab on the webpage available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>. After registration, a reference number will be generated and sent on the registered e-mail. NWG-20 members excluding DoT officers are requested to mention this reference no. on the undertaking form (copy attached) and send by mail to u/s and cc ddgsd.tec@gov.in. It will be sent to DoT for approval.

Those not having TIES account and interested in participating and submitting contributions in these meetings, may intimate to TEC and send signed undertaking, mentioning the reference number generated while applying for TIES account. Detailed process for applying for TIES account is available in the video link <https://www.itu.int/en/ties-services/Pages/Videos.aspx#create-account>.

Contributions submitted and finalized in this regional group meeting will be the part of report, which will be further submitted in ITU-T SG-20 meeting.

DDG (IoT) also explained the structure of ITU-T SG-20 & its regional groups and process for registration, by presenting the related webpage.

- b. The drafts of seven on-going work items in ITU were circulated by ADG (IoT) via e-mail to all the NWG-20 members along with minutes of the previous meeting. Contributions have been received on the same from few members.
 - c. Agenda of this meeting is to discuss and finalize the contributions received for the meeting of ITU-T SG-20 Regional Group for Asia.
 - d. In view of showing larger participation from India from Asia Pacific region, he requested all the members to participate in ITU-T SG-20 Regional Group for Asia Pacific (SG20RG-AP), scheduled on 25-26 July 2023 in virtual mode, from 10:00-16:00 hours, Geneva time (1:30 PM to 7:30 PM IST). Detailed agenda is available on the link <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>.
2. The contributions on the following work items were presented and discussed in the meeting for submission in the ITU-T SG20 Regional Group for Asia Pacific region (SG20RG-AP) meeting, 25-26 July 2023:-
- a. Y.IoT-acsfra *"Functional requirements and architecture of access control service of IoT platform enabled by zero trust technology in decentralized environments"*- presented by Mr. Pranav Singh, Idemia.
 - b. Y.Sup.SmartAqua-usecases *"Use cases of IoT-based smart aquaculture"*- presented by Ms. Namrata Singh, TEC, having contribution from Dr. Balamurugan M S, VIT Chennai also.
 - c. Smart Cities Reference Architecture (SCRA)- presented by Mr. Kishor Narang, Narnix
 Mr. Sharad Arora, Mashmari apprised members about the on-going work in IEC, ISO and ITU-T Standardization Programme Coordination Group (SPCG) in which the work regarding mapping of standards is already in progress then how creation of this new work item will be justified.
 Mr. A. Bhattacharya, C-DOT mentioned that most of the work in this contribution is from the published documents, then how it can be justified as a contribution or new work item.
 Mr. Rajith Ali supported the views of Mr. Sharad Arora.
 Mr. Kishor Narang mentioned that the basic document has already been shared & discussed with SG-20 Chair as well as Counsellor.
 DDG(IoT) suggested to add references in all the figures and tried to conclude by mentioning that the views of SG-20 Chair and counsellor will be taken by sending an email today itself.

- d. Y.RemoteEd *"Requirements, capabilities and architectural frameworks for e-learning in remote classrooms"* - presented by Mr. Sharad Arora, Mashmari.
- e. Y.dt-ITS *"Requirements and capability framework of digital twin for intelligent transport system"* - presented by Mr. Punit Rathod, Qualcomm
Dr. Vetrivelan. P, VIT Chennai also volunteered to send input on this work item by today evening.
- f. Y.Sup.SmartAgri-usecases *"Use cases of IoT based smart agriculture"* - Presented by Ms. Namrata Singh, TEC, having contribution from Dr. Vydeki D, VIT Chennai and herself.
The contribution on this work item was also presented by Mr. Sushil Kumar, TEC. Both the contributions will be merged into single draft before final submission to ITU.
- g. Y.FSPH *"Framework for smart public health emergency management in smart and sustainable cities"* - presented by Mr. Prateep Misra, TCS
- h. Y.PGComNet-Reqts *"Requirements of IoT-based power grid communication network"* - presented by Mr. Shekhar Singh, TEC

Inputs/ suggestions given by the members during the meeting were suitable incorporated in these contributions.

Contributions mentioned at a, b, d, e, f, g and h have been agreed for submission for SG-20 RG AP meeting.

In reference to the contribution at "c", matter will be further discussed & decided after discussion with SG-20 Chair.

- 3. DDG (IoT) summarized by mentioning that refined draft of the contributions (as agreed in the meeting) may be sent by the members by today evening positively, so that the same may be submitted for the upcoming regional group meeting after taking due approval.

In the end, DDG (IoT) thanked all the participants for attending the meeting .

Action taken after the meeting:

With reference to the contribution at 2 (C), e-mail has been sent to Dr. Kim, SG-20 Chair with copy to ITU Counsellor to have a look on the contribution document submitted by Mr. Narang and give their expert advice. Due to paucity of time, issue has been discussed with Dr. Kim, SG-20 Chair through WhatsApp messages also. In his reply, he has mentioned that he has seen the contribution and it seems good for submission.

Therefore it has been decided to submit this contribution also.

Way Forwards :

1. Next meeting of NWG-20 will be held on **20th July 2023 at 2 : 30 PM .**
2. All members having TIES account are requested to register for the ITU-T SG20 Regional Group for Asia Pacific region (SG20RG-AP) meeting scheduled on 25-26 July 2023 and also subscribe to its mailing list (details available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>).
3. Detailed agenda of this regional meeting will be shared.

This is issued with the consent of DDG (IoT).
