No. 8-1103/2022-R/TEC (Part-1)

Date: August 11, 2023

Subject: Minutes of the meeting of National Working Group-5 (NWG-5) held on 27.07.2023.

A meeting of National Working Group – 5 (NWG-5) was held on 27.07.2023 in online mode under the chairmanship of Sh. Avinash Agarwal, DDG (Radio), TEC.

The list of participants is given in Annexure-I.

1. The meeting began with Welcome Address of Ms. Neha Upadhyay, Director (Radio), TEC & Convenor (NWG-5), which was followed by a brief round of introduction of all the participants. Thereafter, Sh. Avinash Agarwal, DDG (Radio), TEC gave his Opening Remarks by briefing the participants about the agenda of the meeting. He informed the participants about the new structure proposed for NWG-5 and how it will be beneficial in having a more focussed approach in formulating contributions under different areas of study of Study Group-5. He also encouraged the participants to provide contributions in their areas of interest. He further mentioned about the need to identify whether a new work item be created or existing work items be developed, while working towards a contribution.
2. Subsequently, Ms. Neha Upadhyay, Director (Radio), TEC briefed the participants about the structure and work areas of NWG-5, role of TEC in NWG-5 and past contributions, through a presentation. She further proposed the constitution of four National Working Parties (NWP) under NWG-5 corresponding to different questions under study at ITU-T SG-5, in order to have more focussed studies and increase the number of contributions towards ITU from India. All participants were asked to share their views on structure of NWG-5 and these working parties.

The NWG-5 agreed to constitute the National Working Parties as below:

- **National Working Party 5A:** Electromagnetic Compatibility related studies
 - **National Working Party 5B:** Electromagnetic Field Exposure related studies
 - **National Working Party 5C:** Environment efficiency related studies
 - **National Working Party 5D:** Environment and climate change related studies
3. The NWG-5 further nominated the Chairs and Vice Chairs of these NWPs, based on their previous engagements with NWG-5 and TEC, and also expertise in their respective fields as mentioned in Table 1.

DDG (Radio) informed each NWP should hold regular meetings for preparation and discussion on contributions in related area. He further mentioned that all members of NWG-5 can join the meetings of all NWPs of NWG-5 and the contributions prepared through the NWPs will be presented to the NWG-5 for further action during NWG-5 meetings that are planned every month. The NWP chairs will also be requested to present the progress of work in NWG.

4. Thereafter, Anshul Kr. Gupta, AD (Radio), TEC briefed about ITU-T SG-5 questions and work items under them. He further briefed all participants about process of submission of contributions on existing work item as well as on new work item under different questions of ITU-T SG-5.
5. Representative from COAI submitted that not all members of NWG-5 have TIES account through which they can access the ITU-T SG-5 documents directly from the ITU website. To this, DDG (Radio), TEC mentioned that some of the relevant documents related to NWG-5 could be accessed through the Standards Coordination Portal (SCP) of TEC, launched in July, 2023, by all the members of NWG-5.
6. Sh. Arun Agarwal, DDG (J&K), LSA, DoT(former chairman of NWG-5) appreciated the new structure introduced in NWG-5 and mentioned that it will prove to be effective in formulating more contributions to ITU-T SG-5.
7. The meeting concluded with thanks to the Chair and all participating members.
