No: 4-16/2018-C&B/TEC/NWG-9

Dated: 25 Sep 2023

**Sub: Minutes of the 10th Meeting of National Working Group-9 (NWG-9) regarding "Broadband Cable and TV" held on 21.09.2023.**

The 10<sup>th</sup> meeting of the National Working Group-9 (NWG-9) corresponding to the ITU-T Study Group 9 (SG9), constituted for the Study Period 2022-24 regarding "Broadband Cable and TV", was held on 21.09.2023 under the chairmanship of Sh. Avinash Agarwal, DDG (Convergence & Broadcasting), TEC through video-conferencing. List of participants is placed at Annexure-I.

2. Sh. Harsh Sharma, Convener NWG9 & Director (C&B) TEC, welcomed all the participants and provided a summary of the previous meeting held on 19.07.2023.
3. Shri Avinash Agarwal, Chairman NWG9 & DDG (C&B) TEC, conveyed that the next ITU-T SG9 meeting is scheduled from 14-23 Nov 2023 at Bogotá, Colombia and that various Rapporteur Group Meetings are being held presently. He also welcomed the new members who had joined the NWG9 meeting for the first time.
4. One New Contribution on "Functional requirements for 8k cable set-top box (STB) with Virtual reality (VR) services (Q6/9)" was received from Dr. P.C. Jain, IAFI and Ms. Meenakshi Singhvi, Prasar Bharati. NWG9 decided to discuss this contribution in the next meeting along with other contributions.
5. Shri Avinash Agarwal, Chairman NWG-9 briefed about all the Questions and work items created so far in the Study Group-9. Presently, SG9 is working on total 11 questions in the current truncated study period of 2022-2024. He requested all members to inform about proposed contributions for new work items. After deliberation, NWG-9 identified the expected contributions from NWG9 for new work items as follows:

| Question No. | Topic                                                                                  | Expected contributions for new work items |
|--------------|----------------------------------------------------------------------------------------|-------------------------------------------|
| Q2/9         | Methods and practices for conditional access and content protection                    | 1                                         |
| Q6/9         | Functional requirements for terminal devices of the integrated broadband cable network | 2                                         |
| Q10/9        | Work programme, coordination and planning                                              | 1                                         |
| Q11/9        | Accessibility to cable systems and services                                            | 1                                         |

6. Potential contributions on existing work items were also reviewed and following work items were identified for contributions by NWG9 for the Bogota meeting:

| Q.No. | Work item/Name of ongoing contribution                                                                                                   |
|-------|------------------------------------------------------------------------------------------------------------------------------------------|
| 1/9   | 'J.TR.WiFiTV (Technical Report) on Secondary distribution of digital television and audiovisual content to portable devices using Wi-Fi' |
| 2/9   | J.FSR-TEST regarding 'Factual subscriber-base reporting and protected content delivery in conditional access system-Test Methods'        |

|      |                                                                                                                                                                                     |
|------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 6/9  | Revision in existing recommendation ITU-T J.298 “Requirements and technical specifications of a cable TV hybrid set-top box compatible with terrestrial and satellite TV transport” |
| 11/9 | JSTR.LCAP (Technical Report) Technical advances, challenges, and best practices in live captioning                                                                                  |
| 11/9 | “Common user profile format for audio-visual content distribution”                                                                                                                  |

7. Chairman NWG9 conveyed that International Telecommunication Union (ITU) conducts the World Telecommunication Standardization Assembly (WTSA) every four years to set its overall structure and direction as well as plan for its standardization program for the next four-year study period. The next WTSA-2024 is planned to take place in New Delhi from 15 to 24 October 2024. DoT/TEC serves as the primary focal point for coordinating the submission of resolutions and building consensus for input submissions from India, aligning with the Asia-Pacific Telecommunity (APT) for WTSA, and subsequently participating in the ITU-T sector.
8. All NWG members were requested to identify the previous WTSA resolutions related to the responsibilities of ITU-T Study Group-9 that may need updation so that the same may be discussed in the next NWG9 meeting. Members were also requested to explore any new resolution within the profile of SG9. List of all ITU-T resolutions is available at: <https://www.itu.int/pub/T-RES>
9. It was decided that a focussed group may review the resolutions. Dr. Pradipta Biswas, Associate Professor, IISc Bengaluru, Sh. Paritosh Saha, Disney-Hotstar, Sh. Rajeev Khattar, and Ms. Meenakshi Singhvi, PB volunteered for this work.
10. Chairman NWG9 requested that all the NWG9 members including those who hold various positions in the ITU-T SG9 (mentioned below), and willing for physical participation, to timely take the required permissions from their organisations and process for requisite formalities. The delegates of the Indian delegation will require approval of the competent authority. As mentioned earlier, the next meeting of ITU-T SG-9 is scheduled at Bogotá, Colombia from 14-23 Nov 2023.

*SG 9 Leadership position at ITU level from India:*

*SG9 Vice Chair:* Dr. Pradipta Biswas, Associate Professor, IISc, Bengaluru

*Rapporteurs:*

1. Avinash Agarwal, DDG(C&B), TEC for Q11/9
2. Rakesh S. Desai, DDG(F&A), TEC for Q8/9

*Associate rapporteurs:*

1. Rajiv Khattar, Researcher for Q2/9,
2. Meenakshi Singhvi, Prasar Bharti for Q6/9
3. Avinash Agarwal, DDG(C&B) TEC for Q3/9

*Editors:* Avinash Agarwal, Rakesh S. Desai, Meenakshi Singhvi, Rajiv Khattar, Paritosh Saha, Ramesh D Sampath, Harsh Sharma, Pradipta Biswas

*Harsh Sharma*

**(Harsh Sharma)**

Convener, NWG-9 & Director, (C&B), TEC

**Encl.: Annexure-I**

To,

All members of the NWG-9 and all the Participants.

Copy for kind information to:

1. Advisor/Sr. DDG TEC, New Delhi
2. Chairman NWG-9 & DDG (C&B), TEC, New Delhi.

**List of Participants:**

1. Sh. Avinash Agarwal, Chairman NWG-9 & DDG (C&B), TEC.
2. Dr. Pradipta Biswas, Associate Professor, IISc, Bangalore
3. Sh. Neeraj Kumar, DDG BB Mission, DoT
4. Sh. Anand Katoch, DDG(TC), TEC
5. Sh. Rakesh Desai, DDG(FA), TEC
6. Ms. Meenakshi Singhvi, Director, AIR & Doordarshan, Prasar Bharti Mumbai
7. Sh. Shubhanshu Gupta, C-DAC
8. Sh. Kingshuk Bhattacharya, Sony Pictures Networks India
9. Sh. Rajiv Khattar, Researcher & Industry specialist
10. Sh. Paritosh Saha, Disney-Hotstar
11. Sh. Ramesh DS, M/s Exalto Communication Ltd.
12. Dr. Prem Chand Jain, IAFI
13. Sh. Vinay Kapoor
14. Sh. Anirban Banerjee
15. Sh. Satbir Singh
16. Sh. vivek
17. Sh. Venkata Rama Raju Chelle, Dir(QT), TEC
18. Sh. Harsh Sharma, Convener, NWG-9 & Director (C&B), TEC.
