No: 4-16/2018-C&B/TEC/NWG-9

Dated: 23rd Oct 2023

Sub: Minutes of the 12th Meeting of National Working Group-9 (NWG-9) regarding "Broadband Cable and TV", held on 20.10.2023.

The 12th meeting of the National Working Group-9 (NWG-9) corresponding to the ITU-T Study Group 9 (SG9), regarding "Audiovisual content transmission and integrated broadband cable networks/ Broadband Cable and TV", was held on 20.10.2023 under the chairmanship of Sh. Avinash Agarwal, DDG (Convergence & Broadcasting) TEC, through video-conferencing. List of participants is placed at **Annexure-I**.

2. Sh. Harsh Sharma, Convener NWG-9 & Director (C&B) TEC, welcomed all the participants and provided a summary of the previous meeting held on 12.10.2023.
3. Sh. Avinash Agarwal, Chairman NWG-9 & DDG (C&B) TEC, in his opening remarks, conveyed that the meeting was convened to deliberate on the contributions on ongoing/new work items and to build consensus for their submission to forthcoming meeting of ITU-T Study Group 9 (SG9) scheduled at Bogota (Columbia) from 14-23 Nov 2023.
4. As decided in the previous meeting, following contributions were discussed and deliberated in the meeting:

S.N.	Question/ Topic for contribution	Contributors	Deliberation
1.	Q2/9 Proposal for updating the baseline text and agreement of the new ITU-T Supplement J.FSR-TEST "Factual subscriber-base reporting and protected content delivery in Conditional Access System – Test Methods"	• Avinash Agarwal, TEC • Harsh Sharma, TEC	Sh. Avinash Agarwal briefed that this work item was created by India during the previous SG9 meeting and is based on the work of C&B Division TEC. It provides clause-by-clause test procedures and expected results for each clause of ITU-T Recommendation J.1036. Now, remaining details have been updated and it can be considered for agreement during the SG9 meeting. <i>After detailed discussion, NWG-9 recommended to submit this contribution for updating the Supplement and its agreement at the upcoming SG-9 meeting.</i>
2.	Q6/9 Proposed A.1 justification for a new ITU-T	• Avinash Agarwal, TEC • Meenakshi Singhvi, Prasar Bharati	Sh. Avinash Agarwal presented the A.1 justification document regarding proposal for a new work item for standardization of cable set-top box

	Recommendation J.STB-UHDVR “Functional requirements for cable Set-top Box supporting Ultra-High-Definition video and Virtual Reality services.”	• Prem Chandra Jain, IAFI	supporting 8K video and virtual reality service based on the discussions of the previous NWG9 meeting. Dr. Pradipta Biswas suggested to consider UHD (4K and above) instead of 8K video. The capability of setup box to support UHD and option of VR services either through cable or wireless were discussed. <i>After detailed deliberation, NWG-9 recommended to submit the contribution to the upcoming SG-9 meeting after updating it as “Functional requirements for cable Set-top Box supporting Ultra-High-Definition video and Virtual Reality services.”</i>
3.	Q6/9 Proposed baseline text for the proposed new ITU-T Recommendation J.STB-UHDVR “Functional requirements for cable Set-top Box supporting Ultra-High-Definition video and Virtual Reality services.”	• Avinash Agarwal, TEC • Meenakshi Singhvi, Prasar Bharati • Prem Chandra Jain, IAFI	Sh. Avinash Agarwal suggested that the baseline text of the new proposed Recommendation as mentioned at s.no.2 above should outline the various sections proposed. He suggested to examine the structure of ITU-T J.298 for reference. Ms. Meenakshi Singhvi, Sh. Paritosh Saha, D S Ramesh, P. C. Jain, and Sh. Rajeev Khattar provided inputs for the proposed baseline text. <i>After detailed deliberation, NWG-9 recommended to update the draft as discussed and submit the revised contribution to the upcoming SG-9 meeting.</i>
4.	Q6/9 Updated baseline text of recommendation J.298 regarding hybrid set-top box for consent	• Meenakshi Singhvi, Prasar Bharati • Rajiv Khattar • Paritosh Shah • Ramesh DS	Ms. Meenakshi Singhvi and Sh. Rajeev Khattar informed that based on India’s contributions, SG9 during its meeting held in May 2023 had agreed on the baseline text (i.e. TD379). Subsequently, changes were proposed by some other Member during the Rapporteur Group Meeting (RGM) held on 26.09.2023, where there was agreement on some proposed changes and not on some others. Sh. Avinash Agarwal suggested that India should submit its contribution containing the draft that is

			agreeable to us. Ms. Meenakshi Singhvi and Sh. Rajeev Khattar presented the draft. Members shared their views on the different possibilities. <i>After detailed deliberation, NWG-9 recommended to update the draft as discussed and submit the revised contribution to the upcoming SG-9 meeting for consent.</i>
5.	Q11/9 Proposal for updating the baseline text of the Draft new Technical Report ITU-T JSTR.LCAP "Technical advances, challenges, and best practices in live captioning"	• Avinash Agarwal, TEC • Shubhanshu Gupta, CDAC • Rajiv Khattar	Sh. Shubhanshu Gupta, CDAC presented the contribution for updating the baseline text of this work item w.r.t. the last output document (i.e. TD342). Sh. Avinash Agarwal and Sh. Rajeev Khattar shared their views about the documents referred by ITU-R SG6 for this work item. <i>After detailed deliberation, NWG-9 recommended to submit the contribution to the upcoming SG-9 meeting.</i>
6.	Q 11/9 Proposed updates to the draft new Recommendation ITU-T J.acc-us-prof "Requirements for the specific semantics of a Common User Profile used to personalize audiovisual media" (to be progressed)	Dr. Pradipta Biswas, IISc, India	Sh. Avinash Agarwal informed that the IRG-AVA has suggested that the existing draft of J.acc-us-prof may be spilt into two documents, one as a Recommendation and another as a Technical Paper. Dr. Pradipta Biswas briefed about the Recommendation J.acc-us-prof "Requirements for the specific semantics of a Common User Profile used to personalize audiovisual media" and work done so far. He informed that he would share the updated draft of the Recommendation soon.
7.	Q 11/9 Draft Technical Report for agreement on "Concept of a Common User Profile format used to personalize audiovisual media"	Dr. Pradipta Biswas, IISc, India	Dr. Pradipta Biswas briefed about work item J.acc-us-prof "Common user profile format for audio-visual content distribution" and the progress done so far. Sh. Avinash Agarwal conveyed to the NWG that the technical paper is almost complete in all respects and as decided in the IRG-AVA/RGM meeting, the draft may be converted as 'Technical Report' and proposed for consent alongwith the submission of A.13 Justification also.

			<i>After detailed deliberation, NWG-9 recommended to submit the proposal for creating a new work item for a new ITU-T Technical Report and consider it at the upcoming SG-9 meeting for agreement.</i>
--	--	--	---

5. Chairman NWG9 conveyed that in the upcoming meeting of SG9, there will be special sessions regarding preparation of WTSA-2024. All NWG members were again requested to examine the current profile/responsibilities of SG9 and terms of references of the various Questions and identify areas/topics that required to be updated.
6. Meeting ended with Vote of Thanks to all.

(Harsh Sharma)

Convener, NWG-9 & Director, (C&B), TEC
