Minutes of the meeting

Subject: Minutes of the 9th meeting of the National Working Group (NWG)-12, corresponding to ITU-T Study Group (12), regarding Performance, Quality of Service (QoS), and Quality of Experience (QoE), held on 29th August, 2023 -reg.

1. The Ninth (9th) meeting of National Working Group (NWG)-12, corresponding to ITU-T Study Group 12 regarding "Performance, Quality of Service (QoS), and Quality of Experience (QoE)" was held on 29th August, 2023 (online) under the chairmanship of Sh. Piyush Chetiya, DDG (Mobile Technologies), TEC.
2. A brief of the last meeting were reviewed for new/existing contributions and for submission in the coming meeting to be held on 19-28 September, 2023 in Mexico City and accelerate the proposed contributions. Requested to all the members for submission by 4th Sept 2023, to take approval for uploading in the ITU portal since deadline for uploading contributions is on 6th Sept 2023.
3. The following were discussed:
 - a) ITU-T Q12/12 E.AIQ— Artificial Intelligence Quotient (AI-Q) for indexing and rating AI algorithms used in conversational AI systems employed for customer service management, service optimisation and management as part of service quality assessment methodologies. Shri Piyush Chetiya, DDG (Mobile Technologies), presented the outcome as SG12-C094R1 (enclosed latest draft modified as on 4th Sept 2023 copy contributed by Shri Piyush Chetiya, Chairman of NWG12 and Shri Venkata Rama Raju Chelle, Director (QT), Convener of NWG12).
 - b) ITU-T Q12/12 "E.MVS- Mapping and Visualisation Strategies for the Assessment of Connectivity and QoS (SG12-C0112R1), Shri Abdul Kayum, DDG, J&K LSA, DoT, enclosed latest draft contribution copy of SG12-TD172R1. Service providers' participation

is important in the context of the impact on QoS, which will add more worth to the contribution. In the future, this may be enforced for QoS and QoE in the public network. Welcome the members' suggestions before submitting the (latest updated copy enclosed) in the coming meeting in Mexico City.

- c) ITU-T TR-CEC Q2/12 Title: "Proposal to create a new work item to develop a new ITU-T recommendation, "Framework for Enhanced Quality of Experience by Using Cultural and Emotional Context in Applications Based on Natural Language Understanding". TR-CEC "Framework for QoE/QoS Using Additional Cultural and Emotional Context in Chatbot Applications Based on Natural Language Understanding (Details are in Annex C T22-SG12-230118-TD-GEN-0258! R1! MSW-E). **Shri Amit Oberoi, Vice Chair of NWP 1/12, has briefed on the contribution and enclosed initial draft submitted on 4th Sept 2023 to take up for inclusion in the coming meeting of ITU in Mexico City in 19-28 Sept , 2023.**
- 4. Discussed new proposals to be submitted in the meeting scheduled for the period September 19-28, 2023, in Mexico, as follows:
- 5. **ITU-T Q 20/12** Title: DFS_Inter: Extended methodology for cross-country and inter-operator Digital Financial Services testing and assessment of QoS and QoE (for the Unified Payment Interface (UPI) developed for India and extendable with global acceptance on an inclusion basis) of Payment Service Providers (PSP) through the Mobile application. (Enclosed draft copy updated as on 4th Sept 2023). Highlighted regarding draft document of ITU (TD306) of previous SG12 meeting and discussed draft document (enclosed copy). Briefed to the new member Shri Niranjana V K , from RBI and COO of NPCI assured that they will go through the documents and confirm the status. If required TEC office will engage separate meeting for discussion to make plan for future course action on DFS of India use case UPI payment system. Briefed to members regarding India participation and promotion of standards in global level to safeguard Indian industry innovation and push standards for local and global needs being a policy of Govt of India. Collaboration of Academia/Researchers, Govt organisations and industry/startups of cross sectors is required to work together in the interest of common objectives as envisaged in the Govt of India. It is required to fix KPIs for QoS of application and assessment of QoE based on the crowdsourcing, etc. As per the TD306, a new proposal for UPI payments for P2P and P2M through mobile application framed in a structured format, certain inputs and consents required from RBI, NPCI and others to complete the document before uploading for discussion in Mexico City. Looking for the inputs for further deliberations from NPCI and RBI.
- 6. Members were invited to share their contributions for discussion on new topics. A brief was given on the latest approved National Working Chairs and vice chair, looking for new contributions and driving relevant questions under the mentorship of NWP chairs and vice chairs.

7. Chairman requested members to register their membership through the TEC portal (<https://www.tec.gov.in/scp/>). In future meeting notices and minutes will be shared in this portal and ITU meetings and other events information will be made available.
8. The meeting ended with a vote of thanks.
