F.No.-1-3/2022-IoT/TEC

Dated: 21st March 2024

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on “Internet of Things (IoT) and Smart Cities & Communities (SC&C)” for the Study Period 2022-24, held on 27th February 2024, 3:00 PM.

The 19th virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 27th February 2024 at 3:00 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. R. S. Singh, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that:-
 - i. The next meeting of ITU-T SG-20 meeting has been scheduled from 1-12 July 2024 in hybrid mode at Geneva.
 - ii. For the information of new members, he briefed about the overview of TEC and it's functions and major focus areas of ITU-T SG- 20.
 - iii. World Telecommunication Standardization Assembly (WTSA)-2024 will be hosted by India from 15 to 24 October 2024 in New Delhi. In the last meeting, Resolution 98, Resolution 78 and a draft new resolution on 'Rating of Digital Connectivity Infrastructure (DCI) in-buildings: New Standards for Global ICT Development' (submitted by Broad India Forum (BIF) for WTSA-24), were discussed and finalized.
 - iv. TEC has received a ITU TSB Circular 162 regarding Member State consultation on following determined draft new ITU-T Recommendations proposed for approval in the upcoming meeting of ITU-T SG- 20, 1-12 July 2024:-
 - a. Y.4607 (ex Y.DRI reqts)- Requirements for the interworking of autonomous urban delivery robots
 - b. Y.4225 (ex Y.dt-ITS)- Requirements and capability framework of digital twin for intelligent transport system
 - c. Y.4221 (ex Y.ElecMon-Reqts)- Requirements of IoT-based electric power infrastructure monitoring system
 - d. Y.4496 (ex Y.RA-PHE)- Requirements and reference architecture for a smart service for public health emergency system
 - e. Y.4497 (ex Y.Smart SBS)- Requirements and functional architecture of smart sharing bicycle service
 - f. Y.4498 (ex Y.energy-data)- Framework for city-level energy data sharing and analytics among buildings

- g. Y.4499 (ex Y.UIM-cs-framework)- Framework for urban infrastructure monitoring based on crowdsourcing
- h. Y.4488 (ex Y.IoT-SPWE)- Requirements and functional architecture of data services provided via IoT-based technologies for the safety of working environments

The copy of TSB circular 162 as well as copies of all these draft recommendations have already been circulated to all the members to go through these draft documents, examine if these requirements are in line with our country's requirement and revert back, in case any modifications are required in these documents before their approval in ITU-T SG-20.

- v. It is required to increase participation from India in the standardization activities at international level.
2. Ms. Namrata Singh, ADG (IoT) presented about the structure of ITU-T SG-20 and the list of on-going work items under different questions of SG-20 (list already circulated to all the members via e-mail). She further requested members to go through the list, identify the work items of their interest and send the document number & title to TEC, so that the latest draft of these documents may be downloaded and shared with the concerned members. Members, already having TIES account, may directly access these documents.
 3. Mr. Shekhar Singh, AD (IoT) presented the draft contribution on ***ITU-T Y.IoT-SQMS "Requirements and functional architecture of IoT sensing quality management service"*** (TD945).
DDG (IoT) mentioned that this draft contribution will be circulated to the NWG-20 members for their comments/ inputs.
 4. DDG (IoT) concluded by requesting members to work on the on-going work items of their interest and submit more contributions for discussion in the next NWG-20 meeting.

In the end, DDG (IoT) thanked all the participants for attending the meeting.

Way Forwards:

1. Next meeting of NWG-20 will be held on **2nd April 2024 at 3:00 PM.**

This is issued with the approval of DDG (IoT).

Encl: As above

Hindi version shall follow.

(Namrata Singh)
ADG (IoT)
TEC, New Delhi
