F.No.-1-3/2022-IoT/TEC

Dated: 31st May 2024

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on “Internet of Things (IoT) and Smart Cities & Communities (SC&C)” for the Study Period 2022-24, held on 13th May 2024, 3:00 PM.

The 21st virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 13th May 2024 at 3:00 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. R. S. Singh, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that:-
 - i. The next meeting of ITU-T SG-20 meeting has been scheduled from 1-12 July 2024 in hybrid mode at Geneva.
 - ii. List of on-going work items under ITU-T SG-20 have already been circulated to all the members. Member are again requested to review the list and identify the work items of their interest on which they can contribute.
 - iii. For the information of new members, he briefed about the scope of seven questions (work areas) under SG-20.
 - iv. World Telecommunication Standardization Assembly (WTSA)-2024 will be hosted by DoT from 15 to 24 October 2024 in New Delhi, India. It will define the roadmap for standardization activities under ITU for the study period 2025-28. He requested members to register for this event (<https://www.itu.int/wtsa/2024/>). Indian contributions on revision of WTSA Resolution 98 (Enhancing the standardization of Internet of Things and smart cities and communities for global development) and Resolution 65 (Calling party number delivery, calling line identification and origin identification information) were further discussed and presented in detail in the 3rd meeting of APT Preparatory Group for WTSA-24 (APT WTSA24-3), held from 30th April to 2nd May 2024.
 - v. Three contributions have been received for discussion in this NWG-20 meeting, for further submission to ITU-T SG-20 meeting, 1-12 July 2024. The last date for submission of contributions in this meeting is 18th June 2024.

- vi. It is required to increase contribution and participation from India in the standardization activities at international level to accommodate country specific requirements and use cases.
2. Mr. Tapan Kapoor, M/s Aviconn Solutions Pvt Ltd presented his contribution on work item ITU-T Y.CL-EDM “Energy data model for city-level energy management platform”.
3. Mr. Pranav Singh, M/s Idemia presented his contribution on draft Technical Report ITU-T YSTR.HTSA-overview “Overview of ICT based highway traffic safety assessment”.
4. Contribution received from Dr. Punit Rathod, Qualcomm, on work item ITU-T Y.PGComNet-Reqts “Requirements of IoT-based power grid communication network” couldn’t be presented as he couldn’t participate in the meeting due to ITU-R meeting. This contribution will be presented in the next meeting.
5. DDG (IoT) concluded by mentioning that the members may update their contributions, based on the feedback received during the meeting and submit again in the next NWG-20 meeting. Draft contributions presented in this meeting will be circulated to NWG-20 members for their comments/ inputs, latest by 5th June 2024.

In the end, DDG (IoT) thanked all the participants for attending the meeting.

Way Forwards:

1. Next meeting of NWG-20 will be held on **7th June 2024 at 11 AM**.
2. Members are requested to submit more contributions for discussion in the next NWG-20 meeting, latest by 5th June 2024.

This is issued with the approval of DDG (IoT).

Encl: As above

Hindi version shall follow.
