Subject : Re: Contribution/ideas/concept Notes for discussion in meetings of National Working Group -13 (NWG-13) corresponding to ITU-T SG-13 - reg.

Date : Mon, 03 Feb 2025 14:10:39 +0530

Dear All,

Kindly refer to the trailing email, vide which, it was conveyed that the NWG-13 meeting shall be conveyed on 04.02.2025. However, after going through the contributions received till date, it has been observed that they are still in preliminary stage and hence need further modification before discussion in the NWG-13 meeting. Hence, the meeting of NWG-13 will be held during the coming week on 13.02.2025 from 15:30 hrs. Meanwhile, we will be discussing the contributions with the contributors and will try to bring it in proper shape during the NWG-13 meeting to be held on 13.02.2025.

Further, since till now we have received contributions only from some members, we would request other members to submit their contributions by 10.02.2025, so that, the same may be circulated in the NWG-13 group prior to the NWG-13 meeting. Your cooperation is highly solicited.
