Subject: Minutes of the 6th meeting of NWG-13 corresponding to ITU-T Study Group-13 held on 30-09-2025.

The 6th Meeting of the NWG-13 corresponding to ITU-T Study Group 13 – "Future Networks and Emerging Network Technologies" was held on 30-09-2025. List of participants is annexed (**Annexure-I**).

2. At the outset, Sh. Amit Kumar Srivastava, DDG (MT), TEC, and Chairman of NWG-13, welcomed all the participants and highlighted the goal of NWG-13 while briefing them about the agenda of the meeting.

3. Thereafter, Sh. Sujit Kumar, Director (MT), TEC and Convenor (NWG-13) started the discussion on the contributions received for consideration in NWG-13. He apprised all members that nine contributions (four on new work item proposals and five revisions of existing work items) had been received for discussion in the NWG-13 meeting. He also apprised that in the 5th meeting of NWG-13, four contributions (2 NWI and 2 ongoing) were presented and agreed upon.

4. The first contribution was presented by Ms. Rashmi Kamran, IIT Bombay. She presented the proposal to initiate a draft new Supplement ITU-T Y.Suppl.MBO-UC: "Use Cases for Multicasting Broadcasting Offload in Developing Countries." One of the members suggested revising the table of contents, as the subsections were not properly aligned/placed under their respective sections. The same was acknowledged for needful.

5. The second contribution was presented by Mr. Rajshekhar V. Bhat & Shri Sujit Kumar. They proposed to initiate a new work item on Y.SAQoS: "Framework for Semantic-Aware Quality of Service in IMT-2020 and Beyond Communication Networks." One of the members suggested aligning the scope of the document with ITU-T recommendations and also suggested using the existing base architecture of ITU recommendations instead of the one provided in the contribution, as this contribution does not propose a new architecture but talks about the QoS requirements only. The same was acknowledged for needful modification.

6. The third contribution was presented by Ms. Prekasha Shah, IIT Bombay. She presented the proposal to initiate a draft new Supplement ITU-T Y.ANC_Network: "AI Use Cases and Node Characterization for Next-Generation Networks."

7. The fourth contribution was presented by Mr. Sujit Kumar, TEC. He presented the revision of the existing work item on proposed advancement in the baseline text of Draft Technical Report ITU-T TR.TLCM: "Analysis of Trusted Life Cycle Management of Communication Devices in Telecommunication Networks."

8. The fifth contribution was presented by Mr. Amit Kumar Srivastava (TEC) and Mr. Abhijan Bhattacharyya (TCS). They presented a proposed revision of TD

142 for the draft Recommendation ITU-T Y.Benchframe-GenAI: “Benchmarking Framework for Generative AI in Telecommunication Networks.”

9. The sixth contribution was presented by Mr. Sujit Kumar, TEC. He presented a proposed revision of TD-WP4-0201 for the draft Recommendation ITU-T Y.trcm-fr: “Framework for Trust-based Consent Management.”

10. The seventh contribution was presented by Mr. Dhanesh Goel (TEC). He presented the proposed advancement in the baseline text of the draft new Recommendation ITU-T Y.aiwl: “AI-driven Wildlife Conservation and Monitoring Service Model.” Some members suggested applying formatting improvements to this contribution. The same was acknowledged for needful.

11. The eighth contribution was presented by Ms. Jyoti Roat, TEC. She presented the proposed new text for Section 8 of the draft new Technical Report ITU-T TR.IMT 2030-req: “IMT-2030 Networks – Considerations on Requirements.”

1 2 . The ninth contribution was presented by Mr. Dhanesh Goel, TEC. He presented the proposed new work item on ITU-T Y.DT_FMSC: “Requirements and Reference Architecture for Digital Twin–Enabled Orchestration of Fixed, Mobile, and Satellite Converged (FMSC) Networks.”

13. NWG accordingly recommended all 13 contributions (6 NWI and 7 ongoing WI) for taking to ITU-T SG 13 meeting scheduled from 28th October 2025.

14. The Director (MT-I), TEC, requested all members to kindly provide their valuable suggestions/inputs if any, through email by 01.10.2025.

1 5 . In the end, DDG (MT) and Chairman of NWG-13 thanked all the participants for attending the meeting.
