MESSAGE BY CHAIRMAN

"The scales of justice are balanced and non-biased. The eventuality of any dispute is to come to a decision as it is based upon sanctioned laws that results in triumph of truth over falsehood."

It is a moment of immense pride for Daulat Ram College as we are going to commence the second batch of Certificate Add-on Course on "Legal Literacy, Awareness and Aid", under the Aegis of IQAC in collaboration with Delhi State Legal Services Authority (DSLISA) in the current academic session 2022-23.

Law is an essential element of any society which wants to prosper and grow. Thus creating awareness and educating people about it is the need of the day. With this thought, this Add-on course was introduced by the college for students, professionals and scholars.

The overall rationale of the course is to establish a clear and holistic perspective about the legal system and its applications in today's globalised, technological know-how and competitive world. It aims to educate the learners from different disciplines and backgrounds about the theoretical and practical aspects of the legal framework. It also aims to cultivate and enhance technical acumen and skills about the processes of legal and judicial institutions, so that their services can be accessed and availed for public advocacy.

The course covers diverse legal subjects such as Intellectual Property Rights, Cyber Laws, Consumer Laws, Corporate Laws, Women and Children Laws, Land Laws, Labour Laws, Human Rights Law and many more contemporary ones.

I take this opportunity to congratulate the team from Daulat Ram College and Delhi State Legal Services Authority for taking such a unique initiative in the interests of the society and also for successfully completing the first batch of Certificate Course in 2021-22. Delhi State Legal Services Authority (DSLISA) under the aegis of National Legal Services Authority (NALSA) has continuously endeavoured to spread legal awareness amongst the masses and to provide free and competent legal service to the weaker sections of the society. DSLISA is among the best performing Legal Services Authority in the country and I believe that at the core of its success are certain underlying motto that ensures its continuing pole position i.e. motto of *Sewa. Samarpan.* It was sheer serendipity that we at DSLISA found a similar intellectual and emotional commitment to the above mentioned cause amongst the erudite faculty at Daulat Ram College, Delhi University. Accordingly, DSLISA has decided to collaborate with Daulat Ram College for running three add-on courses on legal issues i.e. Add-On Certificate Course on Legal Literacy, Awareness and Aid; Add-On Diploma Course on Legal Literacy, Awareness and Aid; and Add-On Advance Diploma Course on Legal Literacy, Awareness and Aid. These courses are meant to train inquisitive students/ learners, who are prospective government officials; lawyers; social workers; journalists; academicians etc. to become socially sensitive and professionally adept. The pedagogy adopted for these courses shall be a blend of offline theoretical classes coupled with field visits. Classes shall also be supplemented with print, electronic and web based materials and will cater to legal and non-legal professionals alike. The Courses shall be taught by experts from the legal field. As the courses progress, we seek your constructive feedback on them. With this I welcome you all aboard.

Message for Add-on Courses on “Legal Literacy, Awareness and Aid”

After a successful beginning in the year 2021-22 of Certificate Course, College is pleased to start the Diploma course in the area of legal skilling for the young learners.

With the ongoing scientific and technological advances, such as the rise of big data, machine learning and artificial intelligence, many unskilled jobs worldwide may be taken over by machines, while the need for skilled workforce, particular involving mathematics, computer science, data science and law in conjunction with multidisciplinary abilities across the sciences, social sciences, and humanities, will be increasingly in greater demand. Keeping this in mind and in line with National Education Policy 2020, College has initiated a basket of Add-on courses during the current academic session. It is a matter of pride that Delhi State Legal Services Authority (DSLISA) has collaborated with our College to further our endeavour to skill the youth in “Legal Literacy, Awareness and Aid”. We are indebted to DSLISA for extending the necessary and invaluable support in starting the course. This Add-on course will enrich our students further and will make them more confident and responsible citizen.

The program has evolved with the support of Academic Advisory Board of the Course, in which contribution of Course Coordinator, DRC Dr. Sonia Mehta is commendable. New Delhi District Legal Services Authority

DSLISA, is a successor of the Delhi Legal Aid and Advice Board, which had been established under the Legal Services Authorities Act, 1987. Since its very inception, it has displayed an unflinching commitment to the hallowed constitutional vision of providing free and competent legal aid to the marginalized sections of the society, whose legal grievances had hitherto gone unheard and unaddressed. DSLISA's other important legally ordained function is to spread Legal Awareness amongst the masses, as it was sincerely felt that only an educated and well- informed citizenry could preserve their hard- won rights and liberties.
