**Date:18<sup>th</sup> May, 2022**

Minutes of meeting

Subject: Draft Minutes of the 2<sup>nd</sup> meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group-12 regarding Performance, Quality of Service (QoS), Quality of Experience (QoE), held on 16<sup>th</sup> May, 2022-reg.

1. The Second meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group 12 regarding “Performance, Quality of Service (QoS), Quality of Experience (QoE)” was held on 16-05-2022 (online) under the Chairmanship of Sh. Abdul Kayum, DDG (6G Technologies), TEC.
2. The meeting started with the welcome to all the Members of NWG-12, followed by a presentation by Sh. Abdul Kayum, DDG (6G Technologies) & Chairman of NWG-12 on ITU-T Study Group-12 and Indian contributions. Members were briefed about the importance of contributions.
3. Guidance provided by Secretary(T) was conveyed to the members with respect of desired push for IPR lead standardisation.
4. Members were requested to reach out to the companies having interest in the areas QoS, QoE, performance measurement and evaluation.
5. Discussed a new area of interest in. “Driver distraction and voice aspects of car communications” and QoE in building for wireless communication.
6. Members were invited to share administrative responsibilities as working party chairs and rapporteurs. Three working party chairs and thirteen rapporteurs are to be selected. Volunteers are requested to send their consent.
7. The following contributions were discussed in detail;

- i. ITU-T E.AIQ- Artificial Intelligence Quotient (AI-Q) for indexing and rating AI algorithms used in conversational AI systems Indian contribution:

E.AIQ is shaping well and hope to get consented in another two SG12 meetings. This contribution would lead to development of a measurement and evaluation yardstick for AI based conversational system botchats like 'SIRI'. It would help buyers (TSP, FSP, etc.) of C-AI to make an informed decision based on a standardised evaluation matrix. There is an opportunity for Indian Startups to foray in this new area through building an appropriate API and APP. NWG12 accepted the contribution without any change.

- ii. ITU-T E.QoEL-QoE Labelling of building for wireless networks:

- iii. ITU-T E.Hybrid A new approach to mobile network quality of experience testing:

These two contributions are regarding measurement and evaluation of QoE (Quality of Experience) of wireless networks TRAI has moved a consultation paper on finding the ways to measure QoE realistically. The proposed contributions are looking towards finding the ways to bridge the gap between QoS/QoE as measured by service providers to meet the benchmark set by TRAI and user expectation of QoE. This contribution is opening a new field for startups to build an ecosystem for measurement, evaluation, rating and a technical solution to meet the user expectation in tandem with TSP/ISP and property managers.

Suggestion provided by Shri Bhattacharya, BIF and Shri Ravi, ADG have been accepted by NWG12 and accordingly documents were modified. Modified document has been accepted by NWG12.

8. Members has been further requested to continue adding contributions to Indian recommendation till it is consented.

9. These contributions, with the approval of competent authority, will be submitted to ITU-T SG12 for their presentation in the coming meeting from 7- 17 June 2022.

10. Presentation was followed by a question-and-answer session and ended with Vote of Thanks.

Encl: The list of participants at Annexure-A.

वेंकट रामा राजु चेल्ले/ Venkata Rama Raju Chelle,  
निदेशक(६जी प्रौद्योगिकियां) /Director (6G Technologies)

To,

1. All Stakeholders (NWG12 members/participants) through e-mail.

Copy for kind information to-

1. Member (S)/ Member (T), DoT
2. Sr. DDG TEC
3. All the DDGs in TEC.

List of Members/Participants

| S. No | Name and Designation                              |
|-------|---------------------------------------------------|
| 1     | Shri Abdul Kayum DDG 6G Tech, Chair of NWG12      |
| 2     | Shri Abhijit Panicker, Dy Director, BIF, Industry |
| 3     | Shri Ravi Prakash,, Saxena, ADG, LSA, DoT         |
| 4     | Shri Anil Prakash DG SIA-India, Industry          |
| 5     | Shri Avadhesh Singh, ADG (FA), TEC                |
| 6     | Shri Avinash Agarwal, DDG(C&B), TEC               |
| 7     | Shri Debashish Bhattacharya-BIF, Industry         |
| 8     | Shri Desh Raj Bhadana – SIA, Industry             |
| 9     | Shri Dharendra Verma, Director, DoT               |
| 10    | Shri N MURALI KRISHNA, LSA,DoT                    |
| 11    | Shri Rahul Singh Jadaun R&S, Industry             |
| 12    | Shri Rajeshwar Dayal, Director, LSA, DoT          |
| 13    | Shri Subrat Kumar Prusty, Director, LSA,DoT       |
| 14    | Shri Sunil kumar Ranjan, Director, LSA,DoT        |
| 15    | Shri Venkata Rama Raju Chelle, Director, TEC      |
