At the outset DDG (MTC TE) addressed the meeting by welcoming the members of NWG-11. He further deliberated upon the role of NWG-11 in reference to the ITU-T Study Group-11 saying that NWG-11 can play an important role in various recommendations/standards formulated by ITU-T from time to time by sending the contributions suiting to our national requirements.

ADG (TC-II) then gave a presentation explaining in detail about the scope of NWG-11, questions being dealt by SG-11, templates of contribution, the process of uploading a contribution and past contributions submitted by NWG-11 in ITU-T SG-11.

Further, ADG (TC-II) then discussed in detail Q15/11 dealing with combating counterfeit and stolen telecommunication/ICT devices in detail along with the term of reference & work items as the question was of interest for most of the members available in the meeting. She also apprised the members that a TIES account is needed to access & download the documents. The members were informed that in case of unavailability of TIES account if any document is needed the same will be provided by TEC.

In the meeting, Sh Anshul Kumar Gupta, AD (CA), TEC proposed that he will work on a contribution on topic “Test specifications for remote testing of Internet of Things using the probes” against Question no. 12 [“Testing of Internet of things, its applications and identification systems”] and will submit the same in the next meeting.

The participants were further informed that the deadline for submitting the contribution to ITU-T SG-11 is 23rd June 2022 and the 1st meeting of ITU-T SG-11 is scheduled to be held on 16th - 25th July 2022 in Geneva for finalizing the submitted contributions.

All the members were requested to look into the questions under SG-11 and start preparing contributions for the question of their interest and submit the same to NWG-11 within 1 week so that the same can be discussed in the next meeting of NWG-11 proposed to be held in 2nd week of June 2022.

DDG (MTCTE) thanked all the members for sparing their time and attending the meeting.
