F. No.- 1-3/2022-IoT/TEC

Dated 07.10.2022

Subject: Minutes of the fourth virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on “Internet of Things (IoT) and Smart Cities & Communities (SC&C)” for the Study Period 2022-24, held on 20th September 2022, 2:30 PM.

The virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 20th September 2022 at 2:30 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that this is the fourth meeting of NWG-20 after reconstitution of NWG-20 and the first meeting after ITU-T SG-20 meeting, July 2022.

He also shared minutes of the previous meeting in which two contributions were finalized for submission in ITU-T SG-20 and further mentioned that-

- a. Following members participated in the ITU-T SG-20 July meeting held in hybrid mode, 18-28 July 2022-

- i. Sushil Kumar, TEC
- ii. Ms. Ashima, TEC
- iii. Ms. Namrata Singh, TEC
- iv. Rajneesh Kumar, TEC
- v. Shekhar Singh, TEC
- vi. Sharad Arora, Mashmari
- vii. Pranav Singh, Idemia
- viii. Prateep Misra, TCS

- b. Following two contributions submitted in ITU-T SG-20 meeting, July 2022 were discussed in the sessions for Q2/20 -

- i. Proposed revision of work item **Y. SRC "Requirement for deployment of Smart services in rural community" (SG20-C87-R1)**: This contribution was presented by DDG(IoT). It was discussed in detail and accepted with minor modifications and editor's remark for further work and TD 368-R1 has been released.

It is worth mentioning that IoT division is submitting contributions on this work item since July 2020 virtually in all the SG-20 and Rapporteur Group meetings. This work item is expected to be approved as ITU

Recommendation in the next meeting of SG-20. DDG (IoT) is an editor in this work item.

- ii. Proposed contribution on the ongoing work item **Y.IIoT-infra-SM-fr “Requirements and framework of Industrial IoT (IIoT) infrastructure for smart manufacturing” (SG20-C89-R1)**: This contribution was presented by DDG (IoT) and Mr. Pranav Singh. Mr. Prateep Mishra could not join at the discussion time due to some personal issues.
This contribution was also discussed in detail and agreed with some modifications. TD322-R1 has been released for this work item.

c. Following were the significant outcomes of the meeting:

- i. Mr. Sushil Kumar, DDG (IoT) TEC got the position of WP2/20 Vice-chairman in the ITU-T SG-20 management team. It is a noteworthy achievement for India. Details are available on the link <https://www.itu.int/net4/ITU-T/lists/mgmt.aspx?Group=20&Period=17> .
 - ii. Mr. Sushil Kumar highlighted the need of SG-20 Regional Group for Asia and Oceania countries in the ITU-T SG-20 opening plenary meeting, as four SG-20 Regional Groups already exist for Africa, Latin America, Arab and Eastern Europe, Central Asia & Transcaucasia regions. It has been agreed and recorded in the ITU-T SG-20 meeting report at point no. 2.6.5 (<https://www.itu.int/md/T22-SG20-R-0001/en>).
A proposal will be submitted to DDG (IR), DoT for sending a letter, detailing benefits of the Indian proposal for creating ITU-T SG-20 Regional Group for Asia and Oceania Region, to all the countries in Asia and Oceania region for supporting proposals and then accordingly a contribution will be submitted by India in ITU-T SG-20 meeting January, 2023. India may get the chairman position for this regional group.
- d. With reference to the work item Y. SRC (TD368-R1), further contributions will be submitted in Rapporteur group meeting, virtual, 18-21 Oct 2022 and SG-20 Meeting, Jan 2023 to complete this work item. It is expected to be approved and converted into ITU Recommendation in the SG-20 meeting, Jan 2023.
- e. Contributions on new work items will be prepared as per discussions in the National Working Group-20 (NWG-20) meetings for the next SG-20 meeting.
- f. It is expected to have larger participation from India (physically/ remote) in the ITU Study Group meetings by submitting more contributions.
- g. Contributions may either be submitted in the form of a new work item or by proposing changes in the ongoing/ existing work items (temporary documents

available on ITU website). It takes generally around 2-3 years of dedicated work for getting them accepted as an international standard. While proposing changes in the ongoing/ existing work items, document needs to be cleaned first and then changes may be proposed in track change mode.

- h. Few on-going work items (temporary documents) in ITU-T SG-20 will be circulated to all the members along with minutes of this meeting.
- 2. Dr. Gayatri Sakya, JSS Noida, apprised about her ongoing research works in the field of Wireless Sensor Networks (WSN), development of net protocol in IoT, application of WSN and IoT in Smart Agriculture etc.
- 3. Mr. Hrushikesh Reddy, Airtel, expressed his interest to contribute in the area of e-SIM/ i-SIM technology applications in Smart City and Smart Agriculture etc.
- 4. DDG (IoT) mentioned that the outcomes of ITU-T SG-20, July 2022 meeting (Temporary Document) are available on <https://www.itu.int/md/T22-SG20-220718-TD/en>. Members may visit this ITU page and send the document number, title and related question of the document(s) of their interest to TEC. These documents will be downloaded and shared with the concerned members, in the interest of time, as creation of ITU TIES account generally takes time.
- 5. Following members expressed their interest to contribute in following work areas:
 - a. Mr. Sharad Arora, Mashmari: Q2/ 20 (Learning management and education vertical using emerging digital technologies like edge data centers and 5G low latency etc.), Q5/ 20 and Q6/ 20
 - b. Mr. Sachin Chaudhari, IIITH: Security for IoT and Smart Cities
