F. No. – 1-3/2022-IoT/TEC

Dated 23.11.2022

Subject: Minutes of the fifth virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C) " for the Study Period 2022-24, held on 9th November 2022, 2:30 PM.

The fifth virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 9th November 2022 at 2:30 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that–
 - a. Last ITU-T SG-20 meeting was held in hybrid mode from 18-28 July 2022 and Q2/20 rapporteur e-meeting was held in October 2022.
 - b. Next e-meeting of Q2/20 is scheduled from 8-9 Dec 2022, to review the progress of ongoing work items in Q2/20. From India, work is in progress on the work item Y.SRC **"IoT and ICT Requirements for deployment of smart services in rural communities"**. This work item is expected to be approved as ITU Recommendation in the next meeting of SG-20.
 - c. Recently a meeting of ITU-T SG-20 Focus Group on **"Artificial Intelligence (AI) and Internet of Things (IoT) for Digital Agriculture"** (FG-AI4A) was held in October 2022, in which two contributions (use cases) from VIT Chennai were submitted, which were based on the projects being carried out in VIT Chennai.
 - d. Next meeting of the ITU-T Study Group-20 is scheduled in Jan-Feb 2023, for which we have to carry out a lot of work.
 - e. Some documents of ongoing work items in ITU were shared along with the minutes of the last NWG-20 meeting held on 20th September 2022.
 - f. The ITU webpage link for accessing SG-20 documents is <https://www.itu.int/md/T22-SG20-230130/sum/en>. Members may visit this webpage and send the document number, title and related question of the document (s) of their interest to TEC. These documents will be downloaded

and shared with the concerned members, in the interest of time, as creation of TIES account generally takes time .

- g. Requested members to express their views on how to carry forward the work .
2. Mr. Sharad Arora, Mashmari, said that he would like to prepare a contribution on the aspects of learning management . He volunteered to submit abstract for a new work item before the next meeting and also asked interested members to give their suggestions on it .
DDG (IoT) requested him to go through the work item Y . Smart-education also and see if we can submit some contribution on this document in addition to the new work item .
 3. Mr. Prateep Misra, TCS mentioned that he would like to explore the work items in Q2/20 and work with Mr. Pranav Singh and Mr. Sharad Arora . He also volunteered to submit contribution on the ongoing work item **Y . IIoT-infra-SM-fr "Requirements and framework of Industrial IoT (IIoT) infrastructure for smart manufacturing"** .
 4. Dr. Vydeki, VIT Chennai, explained about the use case **IoT based Farmland Surveillance System with Disease Detection in Paddy Crops**, submitted for FG-AI4A meeting, Oct 2022 .
 5. Dr. Bala Murugan, VIT Chennai, briefed about the use case **Applications of Drones, AI and IoT in Cashewnuts farming**, submitted for FG-AI4A meeting, Oct 2022 .
 6. DDG (IoT) mentioned that we may work on Y . Sup . SmartAgri-usecases (existing work item from Korea) , it's draft document has already been circulated to all the members . He requested members, specially members from VIT Chennai and Mr. Ravindra to work on this document .
 7. Mr. Ravindra, Agent tech, said that they have developed a product- smart soil monitoring device, if any academic institutions are interested to pursue research, they can collaborate with him . He also briefed about the deep learning based integrated pumping station performance management solution .
 8. Mr. Sudipta Ghosh expressed his willingness to work in the area of IoT Security and IoT based solutions in the smart cities .
 9. DDG (IoT) summarized by mentioning that we may work on some on-going work items related with IoT security in SG-20 or SG-17, Y . Sup . SmartAgri-usecases, Y . SRC, Y . IIoT-infra-SM-fr, Y . Smart-education and new work item on smart education . He requested members to send their contributions for discussion in the next meeting so that same may be submitted for next ITU-T SG-20 meeting, Jan-Feb 2023 .

In the end, DDG (IoT) thanked all the participants for attending the meeting.

Way Forwards :

1. Next meeting of NWG-20 will be held on **20th December 2022** at **2 : 30 PM**.
2. **Members are requested to submit their contributions in track change mode only by 13th Dec 2022.**
3. TEC is organizing a webinar on Intelligent Transport System (C-V2X) on 15th December 2022, link for joining will be circulated separately.

This is issued with the consent of DDG (IoT) .
