No. 6-5/2022-6GT/TEC

Date: 9th December 2022

Minutes of meeting

Subject: **Minutes of the 5th meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group-12 regarding Performance, Quality of Service (QoS), Quality of Experience (QoE), held on 8th December, 2022-reg.**

1. The Fifth meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group 12 regarding “Performance, Quality of Service (QoS), Quality of Experience (QoE)” was held on 8-12-2022 (online) under the Chairmanship of Sh. Abdul Kayum, DDG (6G Technologies), TEC.
2. A brief of previous meetings was presented to Members and the importance of contributions was highlighted due to the coming SG12 (18-26 Jan 2023) meeting at Geneva reminding us to contribute from the members and accelerate the proposed contributions also before the 20th December if any update also since time required to get the approval of member(T), Digital communication Commission (DCC) and deadline for uploading in the ITU is 5th Jan 2022.
3. The following was discussed
 - a) **ITU-T E.AIQ-** Artificial Intelligence Quotient (AI-Q) for indexing and rating AI algorithms used in conversational AI systems Indian contribution:

Based on the past discussion in Geneva, it is proposed to submit under Q12/12 though it was not clear in June 2022 meeting held in Geneva whether it covers Q7/12 or Q12/12 or Q14/12. It is also true that this proposal will not come under Q14/12.

The updated baseline text of the E.AIQ work item is available in the TD119R1.

Shri Rajith Ali, SIA India, Shri Rakesh Goyal, ADET, Shri Abdul Kayum DDG (6G Technologies), Shri Venkata Rama Raju Chelle, Director (6G Technologies) and Shri Bhaskara Rao, C-DoT, Bengaluru suggested for improvement in the proposal to bring the clarity in the diagrams, Types and methodology assessment, etc. it is suggested to correct the document in the track change mode for further modification before discussion of the proposal in the next meeting or before 20th December whichever is earlier, also need to seek separate time slot for discussion on this in Geneva also.

b) ITU-T E.MVS-Mapping and visualization strategies for the assessment of connectivity and QoS (merging of two contributions E. QoEL-QoE Labelling of building for wireless networks and measurement and evaluation of QoE (Quality of Experience) of wireless networks)

Contributions in the proposed title “E.MVS-Mapping and visualization strategies for the assessment of connectivity and QoS” are discussed. Shri Abdul Kayum one of the editors of the document, briefed about the contribution and sought volunteers for more contributors also.

The updated document “SG12-AMM-TD02R1” is attached for the notice of members to view and contribute if any are interested.

Shri Rajith Ali, SIA India suggested some editorial corrections and requested modification in the document before 20th December so that it is feasible for discussion with modified document in the upcoming event scheduled at Geneva 18-26 January 2022.

c) A new contribution titled “Framework for Enhanced Quality of Experience by using Cultural and Emotional Context in Applications based on Natural Language Understanding” by the IIT Delhi Team composed of Professor Brijesh Lall, Shri Amit Oberoi and Shri Vinti Nayar. The draft document couldn't be discussed due to non-availability; however, it is expected that this will be discussed next time. Members were asked to submit the corrections in the existing contributions and get ready to discuss intermittently within a week and need to submit the document before 20th December 2022 to enable for submission of the proposal for the next meeting of ITU-T SG12 scheduled for 18-26 January 2023 in Geneva.

4. Members were invited to share in the contributions for discussion @Geneva 18-26 Jan 2023. Shri Rajith Ali offered the post of vice-chairman of NWG12.
5. It was decided due to paucity of time that feedback on the existing proposal may be submitted before 20th December 2022 so that it is possible to get the approval of Member(T), DCC before uploading contributions into the ITU portal in order to get the opportunity for discussion in SG12 meeting for the next upcoming meeting scheduled 18-26 January 2023 in Geneva.
6. Meeting ended with Vote of Thanks.

Encl: List of draft documents for editing.
