Invitation of contributions and Schedule of Next meeting of National Working Group-17 m

Dear all,

Greetings from Telecommunication Engineering Centre

This mail is regarding invitation of contributions for National Working Group-17 meeting. As everyone is aware, contributions were presented from India. The list of contributions was presented by India and final TDs are as follows:

- X.sc-dlt: Security controls for distributed ledger technology (TD 940)
- X.sc-iot: Security Controls for Internet of Things (IoT) systems (TD 1032)
- X.5Gsec-srocv: Security Requirements for the Operation of 5G Core Network to Support Vertical Services

The TDs of above Work item are attached along.

Further, for submission in next Study Group-17 meeting, TEC invites contributions from members of National domain experts in the Group. Some of work items which were **newly initiated** in last Study Group-17 meeting are suggestive, however contributions can be made on any of the under progress Work items in SG-17.

In addition to this, inputs are also invited on Work items which were discussed in last National Working Group meeting.

Please provide your inputs or contributions by **25.04.23**

Subsequent to which next National Working Group-17 meeting is scheduled on **15:00 hrs, 03.05.23**. The mode of meeting will be online.

i. **Date & Time:** 03.05.23, 15:00 Hrs.
