No: 4-16/2018-C&B/TEC/NWG-9

Dated: 17 April 2023

Sub: Minutes of the Eighth Meeting of National Working Group-9 (NWG-9) regarding "Broadband Cable and TV" held on 13.04.2023.

The eighth meeting of the National Working Group-9 (NWG-9) corresponding to the ITU- T Study Group 9 (SG9) constituted for the Study Period 2022-24 regarding "Broadband Cable and TV" was held on 13.04.2023 under the chairmanship of Sh. Avinash Agarwal, DDG (Convergence & Broadcasting), TEC through video-conferencing. List of participants is placed at Annexure-I.

2. At the outset, Sh. Harsh Sharma, Director (C&B-II) TEC & Convener of NWG-9, welcomed all the participants and briefly explained about the previous meetings held on 29.03.2023.

3. Shri Avinash Agarwal, Chairman NWG-9 & DDG (C&B) TEC, in his opening remarks, briefed about the preparation of next meeting of ITU-T Study Group 9 (SG-9) which is being held in India at IISc Bangalore from 9-18 May 2023, jointly host by TEC/DoT and IISc Bangalore. He conveyed that a team of TEC/DoT officers visited IISc on 11.04.2023 to check the arrangements and exploring various venues for SG-9 meetings including opening & closing plenary, workshop, exhibition, etc. The team also met with Director, IISc and invited him. He conveyed that a workshop on the "Future of TV for South Asia, Arab and Africa" is also scheduled on 11th May during this SG-9 meeting. Hon'ble MoSC Sh. Devusinh Chauhan has consented to attend the inaugural session of this workshop. Secretary(T) has also given his willingness to address the workshop. CEO Prasar Bharti has also been invited for this. Other senior officers from DoT, MI&B, TRAI, representatives from industry, academia, and delegates from foreign countries are likely to attend this workshop.

He conveyed that ITU-T has already issued the date and question-wise details of the whole programme vide TSB Collective Letter dated 03.03.2023. SG-9 meeting is going to be held in physical and remotely. All members were requested to register for this SG-9 meeting. The Link of registration is as below;

<https://www.itu.int/net4/CRM/xreg/web/Login.aspx?src=Registration&Event=C-00012396>

Shri Avinash Agarwal conveyed that any person (including non NWG members) who is interested in SG-9 topics may attend the workshop scheduled on 11.05.2023. There is no need to become a member of NWG for this purpose. TIES account is not required for registration of this workshop. It will be in both online and offline mode. He asked suggestions from NWG members for Indian panel/expert as speaker in this workshop.

4. Further, open house discussion (as mentioned in agenda) was started.

(A) The deliberation made on the ongoing work items that were initiated by India in the past meetings are as below;

Sno.	Question/Topic name	Deliberations in meeting
1.	Q1/9 <i>'J.TR.WiFiTV (Technical Report) on Secondary distribution of digital television and audiovisual content to portable devices using Wi-Fi'</i>	Sh. Pallabh Dutta, C-DoT presented the updated draft of this contribution in meeting. Discussion was held on clause no. 8, 9, 10, 11 and 12. After thorough deliberation, some modification was also made in the draft with consensus. Sh. Avinash Agarwal conveyed that a block diagram is required to be added as per suggestion of SG-16. A conceptual diagram available in the TEC GR was discussed and NWG agreed to add the same in this contribution. Deliberation was also made on the clause of 'Local Advertisement Insertion' and NWG asked to Sh. Pallabh Dutta C-DoT to check the details. Sh. Pallabh agreed to update the same in consultation with Sh. Paritosh Saha, Star India. <i>After detailed discussion, NWG-9 recommended to take up this contribution (including as suggested above) to upcoming SG-9 meeting.</i>
2.	Q2/9 TR-FSR (Technical report) regarding <i>'Factual subscriber base reporting and protected content delivery in conditional access system'</i>	Sh. Rakesh Desai DDG(FA) TEC and Sh. Rajiv Khattar submitted the development of this contribution to all NWG members. NWG checked the updated draft. After thorough deliberation, some modification was also made in the draft with consensus. Sh. Avinash Agarwal conveyed the NWG regarding suggestion of respective Rapporteur for inclusion of use cases/scenarios in technical report. He explained that the technical requirement has already been covered into another contribution and this TR should include only non-technical aspects. NWG asked to Sh. Paritosh Saha, Star India to check the details and give the

		inputs on the use cases. Sh. Saha agreed to provide and update the same. <i>After detailed discussion, NWG-9 recommended to take up this contribution (including as suggested above) to upcoming SG-9 meeting.</i>
3.	Q2/9 J.FSR-REQ regarding 'Factual subscriber-base reporting and protected content delivery in conditional access system – Requirements'	Sh. Avinash Agarwal presented the updated draft of this contribution in meeting. He conveyed that all suggestions given by Rapporteur in RGM have been incorporated and contribution is in final stage. NWG checked the updated draft. <i>After detailed discussion, NWG-9 recommended to take up this contribution (including as suggested above) to upcoming SG-9 meeting.</i>
4.	Q11/9 JSTR.LCAP (Technical Report) Technical advances, challenges, and best practices in live captioning	Sh. Avinash Agarwal presented the updated draft of this contribution in meeting. He conveyed that all modification have been done in consultation with BIF and CDAC and the same has been discussed in the last Rapporteur Group Meeting and consented too. He conveyed that now it is required to submit the updated draft (till date) in upcoming SG-9 to improve/update the initial base line text of this contribution, otherwise any other country may work on the initial baseline text. <i>After detailed discussion, NWG-9 recommended to take up this contribution to upcoming SG-9 meeting.</i>
5.	Q 11/9 Contribution on "Common user profile format for audio-visual content distribution"	Sh. Avinash Agarwal submitted that Dr. Pradipta Biswas, Associate Professor, IISc has prepared the contribution on this and the updated draft may be submitted to ITU-T SG-9. <i>After detailed discussion, NWG-9 recommended to take up this contribution to upcoming SG-9 meeting.</i>

(B) The deliberation made on the proposal of new work items/contributions are as below;

Sno.	Question/Topic name	Deliberations in meeting
1.	Q2/9 J.FSR-TESTING regarding ‘<i>Test Guide on Factual subscriber-base reporting and protected content delivery in conditional access system</i>’	Sh. Avinash Agarwal, DDG(C&B) TEC submitted a proposal to initiate a new work item in Question no. 2 which will be regarding test guide or test procedure of various requirements of conditional access system. He also briefly explained about the series of ITU-T documents and submitted that two contribution ‘Technical Report’ and ‘Technical Requirement’ have already been ongoing work items of SG-9. The proposal will be 3rd contribution in this series and it will be in line with the TEC Test Guide [TEC 57015:2022] on CAS. <i>After detailed discussion, NWG-9 recommended to take up this contribution (proposal) to upcoming SG-9 meeting.</i>
2.	Q6/9 <i>revision in existing recommendation ITU-T J.298 “Requirements and technical specifications of a cable TV hybrid set-top box compatible with terrestrial and satellite TV transport”</i>	Ms. Meenakshi Singhvi, Director, Prasar Bharti Mumbai submitted a proposal for revision of existing ITU Recommendation ITU-T J.298 “Requirements and technical specifications of a cable TV hybrid set-top box compatible with terrestrial and satellite TV transport” published in the year 2019. She conveyed that the main purpose of the Recommendation was to specify minimum and basic requirements for a hybrid set-top box (STB), which meets the requirements of developing countries and regions. However, in view of changing market situation and technological advances some clauses are required to be changed. NWG checked the submitted proposal point wise. After thorough deliberation, some modification was also made in the draft with consensus. In addition, NWG asked to Sh. Paritosh Saha, Star India to check the details and give the inputs on the security clauses/wi-fi, if any. Sh. Saha agreed to provide and update the same. <i>After detailed discussion, NWG-9 recommended to take up this contribution (including as suggested above) to upcoming SG-9 meeting.</i>

5. On potential contribution/ongoing work items, Shri Avinash Agarwal requested that respective members/contributors should attend the SG-9 meeting in physical mode. He also asked to participants to volunteer for organizing the SG9 meeting in Bangalore.
6. In last, the meeting ended with the vote of thanks to the chair.

(Harsh Sharma)
