1. At the outset, ADG (TC-II) addressed the meeting by welcoming the members and informed everyone about the status of the contributions submitted by NWG-11 members at ITU-T SG-11 meeting held in Geneva from 6th-15th July. She also informed the members that next meeting of working parties **WP1/11, WP2/11, WP3/11 and Rapporteur Group Meeting (RGM) of ITU-T SG-11** is scheduled to be held in Geneva, Switzerland from 28th November 2022 to 7th December, 2022.
2. ADG(TC-II) informed the members that the contribution submitted by Mr Tejpal Singh on new work item [Q.CCF-CCSD] "Consumer centric framework for combating counterfeit and stolen ICT mobile devices" was discussed during the 3rd meeting of NGW-11 and was modified as per the suggestions given during the meeting. The modified contribution was sent to all the members through mail. The committee was informed that no comments were received on the same and all the members agreed that the contribution is finalised for submission to WP4/11.
3. The 2nd contribution Q.CEIR "Technical requirement, interfaces and generic functions of CEIR (Central Equipment Identity Register) to combat counterfeiting mobile devices" was presented by Mr Biren Karmakar and suggestions were given during the meeting. Sh. Biren Karmakar was asked to modify the contribution and submit the finalised contribution for further submission to WP/11 meeting.

4. ADG (TC-II) then informed the members that baseline text for the 3rd Contribution on ITU-T Recommendation Q.TSRT IOT "Test Specifications for remote testing of Internet of Things using the probes" was modified as per the discussions held during the Interim Rapporteur Group e-meeting held from 18-20 October 2022. Sh. Anshul Kumar Gupta, AD(CA) further discussed the modified contribution and explained the changes done in the document for submission to upcoming WP3/11 meeting.
5. ADG (TC-II) informed the members that all the three contribution will be put up for approval so that the same can be submitted to ITU-T for the scheduled WP and RGM meeting.
6. DDG (MTCTE) thanked all the members for sparing their time and attending the meeting. He further asked the members to go through the NWG-11 questions of their interest and prepare the contribution so that the same can be discussed in next NWG-11 meeting.
