Subject: Minutes of National Working Group-16 introductory meeting held on 20.07.2022

The National Working Group 16 (NWG-16) corresponding to ITU-T Study Group 16 "Multimedia and related digital technologies" was created on 14.06.2022 constituting 75 members. The first meeting of the NWG-16 was held on 20.07.2022 at 03:00 PM on CDoT VC platform.

The meeting was attended by 22 members; the list of participants is attached as Annexure. DDG(IT) TEC, Chairman of NWG-16, welcomed the members and apprised the participants of the purpose, mandate and role of the National Working Group-16. He also apprised the members about the introductory meeting agenda.

There were two presentations one by Director(IT) TEC and followed by Director(WA) NTIPRIT.

Director(IT) TEC and Convenor of NWG-16 gave a brief introduction about NWG-16. The presentation included information about the constitution of NWG-16, the responsibility of NWG-16, the Roadmap to contributions, important links of ITU-T and questions under study in Study Group 16. He has emphasised that the role of TEC in NWG-16 will be of the facilitator for the contributions to ITU-T SG16. He called upon members to identify the area of interest and meaningfully contribute to the activities of NWG-16. He asked members to send the request for ITU-resources to TEC till their TIES accounts are made operational.

The presentation of Director(WA) NTIPRIT included the work highlights of SG 16 i.e. JPEG, MPEG, Video Conferencing, IPTV, e-Health, accessibility for disabled persons and others. He discussed that TIES account is available for ITU member state to access ITU information resources. He also shared the details about how the contributions to Study Group 16 can be done.

The key points that emerged from the introductory meeting of NWG-16 were:

- i. The nominations are invited from the members for two positions of Vice-Chair (one each from academia and industry). The members are requested to volunteer for Vice-Chair accordingly.
- ii. Members are asked to identify the area of interest for contribution to SG. The members may refer to the Questions under study and choose their area of contribution. The Working Groups will be made on the basis of questions of SG and area of interest.
- iii. The members may apply for TIES account under intimation to TEC for access to ITU-T information resources. Their request will be forwarded to IR Cell of DoT for consideration.
- iv. Next meeting is likely to be held in the 2nd/ 3rd week of Aug-2022.

- v. Both the presentations (pdfs) are to be shared with the members.

This issues with the approval of DDG(IT) TEC.
