F. No. -1-3/2022-IoT/TEC

Dated ~~09~~¹⁰. 01. 2023

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C) " for the Study Period 2022-24, held on 5th January 2023, 2:30 PM.

The seventh virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 5th January 2023 at 2:30 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that-
 - a. This meeting has been scheduled to finalize the contributions for the upcoming ITU-T SG-20 meeting, scheduled in Jan-Feb 2023.
 - b. Output drafts of few ongoing work items in SG-20 along with minutes of the last NWG-20 meeting dated 20th Dec 2022 were circulated to all the members and contributions were invited.
 - c. The contribution on work item ***Y.SRC "IoT and ICT Requirements for deployment of smart services in rural communities"*** was discussed in detail in the Q2/20 rapporteur e-meeting, held from 8-13 December 2022, in which its major content has been finalized and target for its consent has been set by rapporteur in the upcoming ITU-T SG-20 meeting, Jan-Feb 2023.
 - d. Mr. Marco Carugi, Rapporteur Q2/20, has asked India to work on ***Y.Sup.SmartAgri-usecases (Use cases of IoT based smart agriculture)***.
 - e. Contribution on the ongoing work item ***Y.IIoT-infra-SM-fr "Requirements and framework of Industrial IoT (IIoT) infrastructure for smart manufacturing"***, ***Y.smart-education "Requirements and Reference Architecture of Smart Education"*** and proposal for creating a new work item on ***Y.RemotEd "Requirements for connectivity, bandwidth, privacy and security infrastructure for digital/ online education in remote smart campuses"*** have been received from Mr. Prateep Misra, TCS, Mr. Rajith Ali, SIA India and Mr. Sharad Arora, Mashmari respectively, for discussion in this meeting.

- f. One paragraph based on the report of Broadband Commission has been added in the Section 8.2 of **Y. SRC "IoT and ICT Requirements for deployment of smart services in rural communities"**. This para was updated based on the discussion in the meeting.
2. Mr. Prateep Misra, TCS presented his contribution on work item **Y. IIoT-infra-SM-fr "Requirements and framework of Industrial IoT (IIoT) infrastructure for smart manufacturing"**. This contribution was updated based on the input of Mr. Pranav Singh, Idemia.
DDG (IoT) mentioned that this document will be shared with Mr. Harish Kumar, Punjab University for adding his inputs on this document. He requested members to send updated contribution by 6th Jan 2023.
3. Mr. Rajith Ali, SIA India presented his contribution on the work item **Y. smart-education "Requirements and Reference Architecture of Smart Education"**. He requested him to send the updated contribution by 7th Jan 2023.
4. Mr. Sharad Arora, Mashmari presented his proposal for creation of new work item on **Y. RemotEd "Requirements for connectivity, bandwidth, privacy and security infrastructure for digital/ online education in remote smart campuses"** along with A.1 justification for the same.
Mr. Vijay Madan, TSDSI and Mr. Pranav Singh, Idemia appreciated the idea of this new work item and agreed to support the same.
DDG (IoT) mentioned that other members may also work on this new work item, it will be circulated to all the members. More editors may be added once this proposal gets accepted in ITU.
5. DDG (IoT) mentioned that some text has been added in the use case 8.6 (Connected agricultural machinery) of the work item **Y. Sup. SmartAgri-usecases (Use cases of IoT based smart agriculture)**. Mr. Pranav Singh, Idemia, suggested to add one use case on Hydroponic farming in this document. DDG (IoT) requested him to send inputs on the same.
6. DDG (IoT) summarized by mentioning that members may send their updated contributions on the on-going work items (as discussed in the meeting), on priority by 8th January 2023 so that same may be submitted for the approval of the competent authority for further submission in upcoming ITU-T SG-20 meeting, Jan-Feb 2023.

In the end, DDG (IoT) thanked all the participants for attending the meeting.

Action taken after the meeting:

1. Input received from Mr. Harish Kumar in IIoT work item and from Mr. Sharad Arora in the new work item proposed as "Requirements, capabilities and architectural frameworks for digital/ online learning in remote campuses" have been incorporated suitably.
2. All the contributions have been refined as discussed in the meeting.

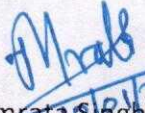

Way Forwards :

1. Next meeting of NWG-20 will be held after the ITU-T SG-20 meeting scheduled from 30 Jan – 10 Feb 2023.

This is issued with the consent of DDG (IoT) .
