No. 6-5/2022-6GT/TEC

Date: 1st June, 2023

Meeting Notice

Subject: 7th meeting of National Working Group (NWG)-12 corresponding to ITU-T Study Group-12 regarding "Performance, Quality of Service (QoS), Quality of Experience (QoE)".

1. The objective of the NWG-12 is to contribute to ITU-T SG 12 standardisation and discussion on contributions coming for the period 19-28th September 2023 @ Mexico.

2. Agenda of meeting;

I. Discuss on the existing contributions in the following;

- a. ITU-T Q12/12 E.AI-Q- Artificial Intelligence Quotient (AI-Q) for indexing and rating AI algorithms used in conversational AI systems employed for customer service management, service optimisation and management as part of service quality assessment methodologies. Shri Piyush Chetia, DDG (FN) and DDG (6G Tech) chairman of NWG12 will present the revised version of SG12-C094R1 (Enclosed copy). Members were asked for contributions to improve the document's presentation. Shri Rajith Ali will edit the document and provide other inputs.
- b. ITU-T Q12/12 "E.MVS-Mapping and visualisation strategies for the assessment of connectivity and QoS (submitted revised baseline text ITU-T E.MVS "Mapping and visualisation strategies for the assessment of connectivity and QoS" SG12-C0112R1, enclosed latest contribution copy (SG12-TD172R1). Shri Abdul Kayum, DDG, J&K LSA, DoT and Shri Rajit Ali, SIACOM. Seeking for further

contribution from the members and service providers since this standard is very prominent in the prospectuses of telecom service providers whose contribution is worthy and, in the future, this may be enforced for QoS and QoE in the public network. It is desirable for operators' contributions for smooth and holistic implementation in the future.

- c. ITU-T Q2/12 “ TR-CEC - Proposal to create new work item to develop a new ITU-T Recommendation "Framework for Enhanced Quality of Experience by using Cultural and Emotional Context in Applications based on Natural Language Page No 2 of 2 Understanding". Contribution C118R1 was presented by the authors (Vinti Nayar, Shri Utkarsh Agarwal) and reviewed in detail. There were various questions and comments regarding the requirements for applications, KPIs, how to assess the accuracy, data sources, test plans/methodologies, and the title of the proposed work item. It was also mentioned that it might take a lot of time to develop the proposed work item because of the diversity of cultures and development of test methodologies. It was agreed to accept it as a technical report, TR-CEC "Framework for QoE/QoS using Additional Cultural and Emotional Context in Chatbot Applications based on Natural Language Understanding (SG12-C118R1).

- II. Discuss new proposals to be submitted to the meeting scheduled next coming meeting scheduled in Mexico from 19-28 September 2023 (members may be get ready for discussion);

- a. ITU-T Q 20/12 Title: DFS_Inter: Extended methodology for cross-country and inter-operator Digital Financial Services testing and assessment of QoS and QoE (for the Unified Payment Interface (UPI) developed for India and extendable with global acceptance on an inclusion basis) of Payment Service Providers (PSP) through the Mobile application. (Enclosed a draft copy).

- III. Selection of Working party Chairs (Three Chairs) and rapporteurs (4/5 nos) under each working party.

Shri Rajit Ali selected as rapporteur for two questions. Seeking others to come forward to take lead.

IV. New contributions and any other items if any, please.

3. The 7th meeting of NWG-12 is scheduled to be held on 15th June 2023 from 03:00 – 04:00 pm (online). Requested members to register their membership through the TEC portal (<https://www.tec.gov.in/scp/>) and see latest updations .
