Dated: 26.06.2023

Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C) " for the Study Period 2022-24, held on 19th June 2023, 2:30 PM.

The 11th virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 19th June 2023 at 2:30 PM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure -1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that:-

- a. ITU-T SG-20 on **"IoT and Smart Cities & Communities"** was created by ITU in June 2015. On similar lines, National Working Group (NWG) – 20 was created in TEC in September 2015. The objective of the NWG-20 is to submit contributions in ITU-T SG-20, prepared through discussions in NWG-20 meetings.
- b. NWG-20 was later reconstituted for the Study Period 2022-24, in April 2022. It's ten virtual meetings have been held so far.
- c. IoT division, TEC has released nineteen Technical Reports (TRs) till date, covering various verticals, communication technologies and security, with the outcome intended to be used in the policy / standards. All the reports are available on TEC website (<https://www.tec.gov.in/M2M-IoT-technical-reports>).
- d. International Telecommunication Union (ITU) has posted the following six TEC Technical Reports on its website (<https://www.itu.int/cities/dt-resource-hub/iot/>) in IoT sections (2023, 2022 and 2021), recognizing as insightful technical resource for the benefit of global community-
 - i. Security by design for IoT Device Manufacturers
 - ii. Framework of National Trust Centre for M2M/IoT Devices and Applications
 - iii. IoT/ ICT Standards for Smart Cities
 - iv. Emerging Communication Technologies & Use Cases in IoT Domain
 - v. Code of Practice for Securing Consumer Internet of Things (IoT)
 - vi. IoT/ ICT Enablement in Smart Village and Agriculture
- e. Following three contributions submitted by IoT division TEC, based on the projects carried out in VIT Chennai/ ICAR have been approved in **ITU/ FAO Focus**

Group on 'Artificial Intelligence (AI) and Internet of Things (IoT) for Digital Agriculture' (FG-AI4A) meetings in 2022-23-

- i. *Applications of Drones, AI and IoT in Cashewnuts farming (based on the project in VIT Chennai)*
- ii. *IoT based Farmland Surveillance System with Disease Detection in Paddy Crops (based on the project in VIT Chennai)*
- iii. *Artificial Intelligence-based Disease Identification in Wheat Crops (based on the project in ICAR, New Delhi)*

These were presented jointly by TEC officers and the members from VIT/ ICAR.

- f. In the last ITU-T SG-20 meeting held in Jan-Feb 2023, **Regional Group for Asia Pacific region (SG20RG-AP)** was created based on the Indian contribution and its chairmanship has been given to India. The first meeting of this Regional Group has been planned on 25-26 July 2023 in virtual mode. E-mails have been sent to the officers of DoT covering H/Q, field units, NTIPRIT, NICF, CGCA etc. and Working Group members for participation in this meeting.

All the members having TIES account are requested to register for ITU-T SG-20 RG AP meeting, virtual, 25-26 July 2023 by clicking "Registration" Tab on the webpage available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>. After registration, a reference number will be generated and sent on the registered e-mail. NWG-20 members excluding DoT officers are requested to mention this reference no. on the undertaking form (copy attached) and send by mail to u/s and cc ddgsd.tec@gov.in. It will be sent to DoT for approval.

Those not having TIES account and interested in participating and submitting contributions in these meetings, may intimate to TEC and send signed undertaking mentioning the reference number generated while applying for TIES account. Detailed process for applying for TIES account is available in the video link <https://www.itu.int/en/ties-services/Pages/Videos.aspx#create-account>.

Contributions submitted and finalized in this regional group meeting will be the part of report, which will be further submitted in ITU-T SG-20 meeting.

DDG (IoT) also explained the structure of ITU-T SG-20 & its regional groups and process for applying for TIES account by presenting the related webpage.

- g. Agenda of this meeting is to discuss how to increase participation in the meeting of ITU-T SG-20 Regional Group for Asia Pacific and prepare contributions for the same.

- h. Presented the draft agenda of the Meeting of Study Group 20 Regional Group for Asia and the Pacific (SG20RG-AP); Virtual, 25-26 July 2023 and mentioned that the detailed agenda for the same is expected to be published within this week or the next week.
 - i. As per the directions of Secretary (T), TEC has to make LSAs (field units of DoT) aware about the ITU-T activities, involve them in the development of contributions being submitted in ITU-T Study groups and make them participate in ITU meetings. DDG (IoT) has been assigned as the nodal officer for Karnataka and Tamilnadu LSAs, so meeting invite was sent to the officers of these LSAs as well as other LSAs, to participate in NWG-20 meetings.
 - j. The ITU webpage link for accessing SG-20 documents is <https://www.itu.int/md/T22-SG20-230130-TD/en>. Members may visit this webpage and send the document number, title and related question of the document(s) of their interest to TEC, on which they wish to work. These documents will be downloaded and shared with the concerned members. Contributions may either be submitted as inputs to the existing on-going work items or by proposing creation of a new work item, on which no previous related work is available.
 - k. The drafts of six on-going work items in ITU were circulated by ADG (IoT) via e-mail to all the NWG-20 members along with minutes of the previous meeting. He also presented all the work items in brief.
2. Based on the working experience and contribution of the members so far, following names were agreed for the positions of the Chair/ Vice-Chair of the National Working Parties, corresponding to ITU-T SG-20 Working Parties:-
- i. National Working Party -1 (NWP1):
 - a. Chairman- Mr. Sharad Arora, Mashmari
 - b. Vice- chairs- Ms. Shobana Uthayashankar, Innogle & Dr. Ekram Khan, AMU
 - ii. National Working Party -2 (NWP2):
 - a. Chairman- Mr. Pranav Singh, Idemia
 - b. Vice- chairs- Mr. Prateep Misra, TCS & Ms. Geetha Godwin, TN LSA
3. DDG (IoT) briefed about the ITU TSB Circular 96 regarding Member State consultation on determined draft new Recommendations ITU-T Y.4221 (ex Y.ElecMon-Reqs), Y.4222 (ex Y.smart-evacuation), Y.4223 (ex Y.SCC-Reqs), Y.4487 (ex Y.RMDFS-arch), Y.4488 (ex Y.IoT-SPWE) and Y.4604 (ex Y.IoT-MCSI) proposed for approval at the meeting of ITU-T Study Group 20 (Arusha, 13-22 September 2023). He requested members to go through these drafts and revert back, in case any modifications are required in them before the approval.

4. DDG (IoT) summarized by mentioning that we may work on some on-going work items already shared with the members. He requested members to send their contributions on priority for discussion in the next meeting so that the same may be submitted for the upcoming regional group meeting.

In the end, DDG (IoT) thanked all the participants for attending the meeting .

Way Forwards :

1. Next meeting of NWG-20 will be held on 3rd July 2023 at 11 : 30 AM .
2. All members having TIES account are requested to register for the ITU-T SG20 Regional Group for Asia Pacific region (SG20RG-AP) meeting scheduled on 25-26 July 2023 and also subscribe to its mailing list (details available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>).
3. One-to-one meetings will be held in-between with the members for discussing their contributions.

This is issued with the consent of DDG (IoT).
