File No.: 5-2/2021-TS/TEC

Dated: 12-07-2023

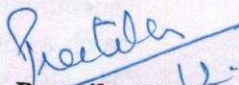

Subject: Minutes of meeting of National Working Group-17 held on 03-07-2023

The Ninth meeting of National Working Group -17 was held virtually on 3rd July, 2023 from 3:00 PM onwards. The members from Industry, Association, Academia (IITs), National Security Council Secretariat (NSCS), NTIPRIT, C-DoT and various units of Department of Telecom viz. DoT HQ, TEC, NCCs participated in the meeting. The list of participants is placed at Annexure-I.

1. To begin with, Sh. Shashi Mohan, DDG (TS), TEC and Chairman of NWG-17 welcomed all the participants and the new members who joined for the first time and highlighted the agenda for the meeting. Also Informed all the members about the National workshop on Enhancing Indian Participation in Telecom Global Standards Bodies as well as all participants to be onboarded on the newly launched Standard Coordination Portal (SCP) for ITU contribution.
2. Sh. P.K Singh, DDG (SA) and Vice-Chairman of NWG-17 on his opening remarks, encouraged all the learnt members to increase the contribution on the all work items such as 5G security, Quantum networks, Security architecture and all related topics. He also stated that all participants can either start New work item or enhance the currently on-going work item as contribution.
3. Going Forward, Mrs. Preetika Singh, DIR (TS), TEC and Convenor of NWG-17, urged to all the member to participate in national workshop on “National Workshop on enhancing Indian Participation in Telecom Global Standards Bodies” on 7th July, 2023. She also reminded the members to register on SCP portal and discussed the functionality of portal to view and submit their contribution directly on the portal. Link of the Portal is <https://www.tec.gov.in/scp/>.
4. TEC has received 7 contributions for NWG 17. First Sh. Manas Kumar Panda, NCCS presented their work on work item Q2/17 – “Proposal for new work item: Security Requirement and Guidelines for Software security including OSS for Secure 5G”. The contribution was appreciated by the members and further Inputs were received from Sh. P.K.Singh, DDG (SA) and Prof. Prabhakar that instead of covering all issues, contributions be made concise for initial submission.
5. Ms. Jyoti Sengar, ADET (TS) TEC, presented her work item on Q6/17 – “Proposed Revision of SG17-TD950: Supplement to X.1352 Technical implementation guidelines for IoT devices and gateway”. The contribution was appreciated by the participants and inputs was received from Sh.P.K.Singh and Sh. Sushil Kumar that submitted text may be made precise for more clarity.
