**Dated: 27-07-2023**

**Subject: Minutes of meeting of National Working Group-17 held on 24-07-2023**

The meeting of National Working Group -17 was held virtually on 24<sup>th</sup> July, 2023 at 3:30 PM onwards. The members from Industry, Association, Academia, National Security Council Secretariat (NSCS), C-DoT, and various units of Department of Telecom viz. DoT HQ, TEC, NCCS participated in the meeting. The list of participants is placed at Annexure-I.

1. To begin with, Sh. BK Singh, DDG (TS), TEC and Chairman of NWG-17 welcomed all the participants and highlighted the agenda for the meeting.
2. Thereby, Ms. Jyoti Sengar, ADET (TS), TEC welcomed all the participants.
3. Further, Mrs. Preetika Singh, DIR (TS), TEC and Convenor of NWG-17 informed that for this meeting TEC has received total 9 contributions. She also requested all the participants to give maximum inputs on the contributions for refinement of contributions.
4. First, Sh. Manas Kumar Panda, ADG (SA), NCCS presented his Proposal for new work item related to "Security Requirement and Guidelines for Software security including OSS for Secure 5G" pertaining to Q1/17. The contribution was appreciated by members and Sh. Rama Raju Chelle, DIR (QT), TEC, Sh. R.C Sharma, NSCS, Mrs. Preetika Singh DIR (TS), TEC, Sh. Sushil Kumar, DDG (IoT), TEC, Sh. P.K. Singh, DDG(SA), DoT had given their inputs as a way forward to take the contribution further.
5. Moving ahead, Sh. N. Kishor Narang, Narnix, presented his Proposal of new work item on "Cyber Security Reference Architecture" (CS-RA)" pertaining to Q1/17. Subsequently, Sh. P.K. Singh, DDG(SA) had given important feedbacks to improve the document along with suggesting to do Gap Analysis, Comparison model, ITU references, Sandbox Architecture etc. for betterment of the content. Further, Mrs. Preetika Singh, DIR(TS), Convenor, had also suggested to revise the context & clarity concise language for betterment of the document. Sh. R.C Sharma, NSCS, had also given suggestion & viewpoint on refinement of the context of document. Prof. Prabhakar Krishnan, Amrita University, along with Sh. P.K Singh had discussed about Architecture Evaluation & also suggested few inputs for the document.
6. Sh. Shekhar Singh, AD (IoT), TEC presented two contributions in the meeting. Initially he presented his contribution on Work Item – "Security Controls of IoT Systems" pertaining to Q6/17. Sh. Sushil Kumar, DDG (IoT), Mrs. Preetika Singh, DIR (TS), TEC, Sh. Rama Raju Chelle, DIR(QT) had given inputs for refinement of the document. Subsequently, Sh. P.K. Singh, has suggested proposal may be drafted for new work item on "Device Classification of IoT devices".

I/3116992/2023

7. Moving ahead, Sh. Shekhar Singh, AD (IoT) present another contribution on work item "Security Threats of Software Supply Chain" of Q4/17 after incorporating inputs as received in last NWG-17 meeting. Sh. P.K Singh, DDG (SA) and Sh. Sushil Kumar, DDG (IoT) TEC, gave their inputs for proper referencing on the documents.
8. Next, Sh. Venkata Rama Raju Chelle, DIR (QT), TEC presented his contributions on proposal of New Work item on "Threat analysis and management of security profile of trusted nodes of QKD systems" pertaining to Q15/17. Mrs. Preetika Singh, DIR (TS) and Sh. P.K. Singh, Vice-Chair NWG17 gave their inputs on the contents of the document, Gap Analysis, Structural changes & Justification. They also mentioned that documents should be circulated to the experts & members on Quantum Key Distribution domain for their valuable inputs to enrich the document.
9. Next, Ms. Jyoti Sengar, ADET(TS), TEC presented two contributions on work item "Proposed Revision of SG17-TD950: Supplement to X.1352 Technical implementation guidelines for IoT devices and gateway" of Q6/17 and Work item "Proposed revision of SG17-TD942R2: Security requirements and guidelines of application and services for smart city platform" of Q7/17 after incorporating the input as received during last NWG-17 meeting. Subsequently, Sh. Sushil Kumar, DDG(IoT) had appreciated the contribution and suggested some inputs for refinement of the document.
10. Mrs. Preetika Singh, DIR (TS) discussed two contributions on work item "Security controls for distributed ledger technology" pertaining to Q14/17 and "Proposal for inclusion of text in work item X.mt. feature: Security features to assess mobile terminal security" pertaining to Q6/17. The document had explained in the previous NWG meeting however no inputs were received hence discussed again. Sh. P.K Singh, Vice-Chair NWG17 suggested some inputs for refinement of the document.
11. Since last date of submission of contributions in ITU-T SG-17 is 16.08.23, it was requested from NWG-17 members that one more meeting may be conducted for discussion of submitted contributions.
12. Finally, Mrs. Preetika Singh, DIR (TS), and Convenor NWG-17, had given vote of thanks to all the members and requested all members to give inputs on the contributions for their improvement.
