File No.: 5-2/2021-TS/TEC

Dated: 14.08.23

Subject: Minutes of meeting of National Working Group-17 held on 08.08.2023

The meeting of National Working Group -17 was held virtually on 8th August, 2023 at 3:00 PM. The members from Industry, Association, Academia (IITs), National Security Council Secretariat (NSCS), NTIPRIT, C-DoT, NCCS and various units of Department of Telecom viz. DoT HQ, TEC, NCCs participated in the meeting. The list of participants is placed at Annexure-I.

1. To begin with, Sh. BK Singh, DDG (TS), TEC and Chairman of NWG-17 welcomed all the participants, Vice-Chair Sh. P.K Singh and Sh. Sushil Kumar, DDG(IoT), TEC and all the members and highlighted the agenda for the meeting.
2. Mrs. Preetika Singh, DIR(TS), Convenor NWG17, briefed about the 9 contributions discussed in NWG-17 meeting held on 24.07.23 and requested all members to provide their inputs on the contributions. She also reminded the members to register on SCP portal and submit their contribution directly on the portal. She has also stated that on the basis of discussion in current meeting, the contributions will be finalised for sending in ITU-T SG-17 meeting.
3. She has briefed about the contributions to discussed in NWG-17 meeting and stated that due to non-availability of Sh. Manas Kumar Panda, the proposal on “Security Requirement and Guidelines for Software security including OSS for Secure 5G” could not be discussed.
4. At first, Sh. Shekhar Singh, AD(IoT), TEC presented contribution on work item Q6/17: “Security Controls of IoT Systems”. The document was also explained in the previous NWG-17 meeting and as per received inputs the updation had been done. Mrs. Preetika Singh, DIR(TS), TEC had given some useful feedback for refinement of the document and also discussed referencing & structuring. Subsequently, Sh. Sushil Kumar, DDG(IoT), TEC and Sh. P.K. Singh, had discussed on aspects related to “Device Classification” and referencing of the following document.
5. Moving Ahead, Sh. Shekhar Singh, AD(IoT), TEC presented second contribution on work item Q4/17 – “Security Threats of Software Supply Chain”. The document was also discussed in the previous NWG meeting and as per received inputs, revision had been done. Subsequently, Sh. P.K. Singh, Vice-Chair NWG17 and Mrs. Preetika Singh, DIR(TS), Conveyor NWG17 had given suggestion on including definition of “Closed-Source Supply chain” in the document. Furthermore, Mrs. Preetika Singh, convenor NWG17 also given inputs on “sequence of contents” in the document.
6. Moving Forward, Sh. Shekhar Singh, AD(IoT), TEC present third contribution on work item Q7/17 – “Security requirements and guidelines of application and services for smart city platform”. The document had explained in the previous NWG meeting and accordingly revision had been done. Subsequently, Sh. P.K. Singh, Vice-Chair NWG17, Sh. Sushil Kumar, DDG(IoT), TEC and Mrs. Preetika Singh, DIR(TS), Convenor NWG17 had given

I/3120562/2023

suggestion and discussion on “Referencing and Bibliography” to be mentioned on the document.

7. Next, Ms. Jyoti Sengar, ADET(TS) presented contribution on work item Q6/17 – “Proposed Revision of SG17-TD950: Supplement to X.1352 Technical implementation guidelines for IoT devices and gateway”. The document was also discussed in the previous NWG-17 meetings and accordingly revision had been done. Sh. P. K. Singh, DDG(SA), Sh. Sushil Kumar, DDG(IoT) and Mrs Preetika Singh, DIR(TS) had given inputs on several section of Technical implementation guidelines. Furthermore, Dr. Dhiman Saha (IIT-Bhillai) also suggested some inputs for refinement of document.
8. Moving ahead, Sh. N. Kishor Narang, Narnix Technology, presented his contribution on work item – “Proposed new work item on “Cyber Security Reference Architecture” (CS-RA)” related to Q1/17. The document was also discussed in in the previous NWG-17 meeting and accordingly revision had been done. Subsequently, Mrs. Preetika Singh, DIR(TS), suggested to include justification, introduction, keywords in the summary section of contribution for proposing new item.
9. Going Forward, Sh. Venkata Rama Raju Chelle, DIR(QT), TEC presented his contribution on work item– “Threat analysis and management of security profile of trusted nodes of QKD systems” pertaining to Q15/17. Prof. Prabhakar Krishnan had a discussion on the QKD technology and provided inputs for refinement of the contribution. He has also proposed that contribution needs more refinement and agreed to provide more inputs. However it requires more time for refinement. It was also discussed amongst other members that this document will require more refinement, hence the document will remain open for further deliberations in upcoming NWG-17 meeting.
10. Further, Mrs. Preetika Singh, DIR(TS), presented two of her contribution on work item “Security controls for distributed ledger technology” pertaining to Q15/17 and work item “Proposal for inclusion of text in work item X.mt.feature: Security features to assess mobile terminal security” pertaining to Q6/17. The document was also discussed in the previous NWG meetings and required changes had been included.
11. All the submitted contributions were appreciated by members. Since the last date of submission in ITU-T website for upcoming SG-17 meeting is 16.08.23, it was decided that following contribution will be send forward for submission in ITU-T SG-17 meeting:
 - i. X.sc.IoT: Security Controls of IoT Systems pertains to Q6/17
 - ii. Security Threats of Software Supply Chain pertains to Q4/17
 - iii. Security requirements and guidelines of application and services for smart city platform pertains to Q6/17
 - iv. Supplement to X.1352 Technical implementation guidelines for IoT devices and gateway” pertains to Q6/17
 - v. Proposed new work item on “Cyber Security Reference Architecture” (CS-RA)” pertains to Q1/17
 - vi. X.sc.dlt: Security controls for distributed ledger technology” pertains to Q14/17
 - vii. X.mt. feature: Security features to assess mobile terminal security pertains to Q6/17

Following contributions will remain open for discussion and inputs from NWG-17 members and will not be sent for upcoming SG-17 meeting.

I/3120562/2023

- i. Proposal for new work item on Security Requirement and Guidelines for Software security including OSS for Secure 5G
 - ii. Proposal for new work item on “Threat analysis and management of security profile of trusted nodes of QKD systems”
12. In the end, after discussing all the submitted contribution by the members of NWG-17, Sh. BK Singh, Chair NWG17 thanked all the esteem members especially Professor and Academia for their contribution. Mrs. Preetika Singh, DIR(TS), Convenor NWG-17, had given vote of thanks to all the members and requested all the member to give more fruitful inputs on the contribution

Preetika Singh

DIR(TS) & Convenor NWG17, TEC
