Subject: Minutes of virtual meeting of National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 on "Internet of Things (IoT) and Smart Cities & Communities (SC&C) " for the Study Period 2022-24, held on 3rd July 2023, 11:30 AM.

The 11th virtual meeting of the National Working Group 20 (NWG-20) corresponding to ITU-T Study Group 20 was held on 3rd July 2023 at 11:30 AM through remote participation using C-DOT VC platform. The list of participants is available as *Annexure-1*.

1. Mr. Sushil Kumar, DDG (IoT) welcomed all the participants in the meeting. While briefing about the agenda of the meeting, he mentioned that:-

- a. ITU-T SG-20 on **"IoT and Smart Cities & Communities"** was created by ITU in June 2015. On similar lines, National Working Group (NWG) – 20 was created in TEC in September 2015. The objective of the NWG-20 is to submit contributions in ITU-T SG-20, prepared through discussions in NWG-20 meetings.
- b. NWG-20 was later reconstituted for the Study Period 2022-24, in April 2022. It's ten virtual meetings have been held so far.
- c. In the last ITU-T SG-20 meeting held in Jan-Feb 2023, **Regional Group for Asia Pacific region (SG20RG-AP)** was created based on the Indian contribution and its chairmanship has been given to India. The first meeting of this Regional Group has been planned on 25-26 July 2023 in virtual mode. E-mails are being sent to the officers of DoT and Working Group members for participation in this meeting.

All the members having TIES account are requested to subscribe to its mailing list (details available on <https://www.itu.int/en/ITU-T/regionalgroups/sg20-ap/Pages/default.aspx>) for getting updates about this regional group and also to register for this meeting. Those not having TIES account and interested in participating and submitting contributions in these meetings, may intimate to TEC and send signed undertaking, already circulated to all the members. Process for applying for TIES account is available in the video link <https://www.itu.int/en/ties-services/Pages/Videos.aspx#create-account>.

Contributions submitted and finalized in this regional group meeting will be the part of report, which will be further submitted in ITU-T SG-20 meeting.

DDG (IoT) also explained the structure of ITU-T SG-20 & its regional groups and process for applying for TIES account by presenting the related webpage.

- d. Presented the draft agenda of the Meeting of Study Group 20 Regional Group for Asia and the Pacific (SG20RG-AP); Virtual, 25-26 July 2023 and mentioned that the detailed agenda for the same is expected to be published within this week or the next week.
- e. As per the directions of Secretary (T), TEC has to make LSAs (field units of DoT) aware about the ITU-T activities, involve them in the development of contributions being submitted in ITU-T Study groups and make them participate in ITU meetings.
- f. The ITU webpage link for accessing SG-20 documents is <https://www.itu.int/md/T22-SG20-230130-TD/en>. Members may visit this webpage and send the document number, title and related question of the document(s) of their interest to TEC, on which they wish to work. These documents will be downloaded and shared with the concerned members. Contributions may either be submitted as inputs to the existing on-going work items or by proposing creation of a new work item, on which no previous related work is available.
- g. The drafts of seven on-going work items in ITU were circulated by ADG (IoT) via e-mail to all the NWG-20 members along with minutes of the previous meeting. He also presented all the work items in brief.
- h. Agenda of this meeting is to discuss how to increase participation in the meeting of ITU-T SG-20 Regional Group for Asia Pacific and prepare contributions for the same.

2. Mr. Sharad Arora, Mashmari presented on the newly created work item in ITU-T SG-20-Y.RemoteEd *"Requirements, capabilities and architectural frameworks for e-learning in remote classrooms"*. Queries raised by members were resolved in the meeting.
