

Dear Sir/Madam,

The first meeting of National Working Group (NWG)-13 corresponding to ITU-T Study Group (SG)-13 “**Future Networks and Emerging Network Technologies**” for Study Period 2025-2028 is scheduled virtually as per the details given below:

Date: 06.01.2025

Time: 11:00 hrs. onwards

Meeting Link: <https://cdotmeet.cdot.in/vmeet/rooms/jyo-hhc-97c-qm1/join>

2. It is pertinent to mention here that ITU-T SG-13 is responsible for studies relating to the requirements, architectures, functional capabilities and application programming interfaces (APIs) as well as softwarization and orchestration aspects of converged future networks (FN) including the application of machine learning technologies. It is also responsible for studies relating to future computing including cloud computing and data handling in telecommunication networks. SG13 also studies aspects of fixed, mobile and satellite convergence for multi-access networks, mobility management, and enhances existing ITU T Recommendations on mobile communications, including the energy-saving aspects.

3. Annexed herewith are the documents pertaining to contribution format, information for participants, list of questions under study and list of ongoing work items.

4. The participants may like to share any inputs on topics of their interests pertaining to the questions under study including updation of any ongoing work item or proposal for any new work item under any study question. The same may also be shared beforehand for circulation to all participants.

5. Agenda of the meeting is as below:

- i. Identification of study questions for development of contributions;
- ii. Appointment of rapporteurs/editors for various work items;
- iii. Creation of Sub-Group(s)/Working Parties;
- iv. Appointment of Working Parties Chairs;
- v. Appointment of Vice-Chair(s) of NWG-13; and
- vi. Any other item with the permission of Chair.

Kindly make it convenient to attend the meeting.

With Regards,

Jyoti Roat,

ADG (MT-II),

Telecommunication Engineering Centre,

Department of Telecommunications,

Ministry of Communications,

New Delhi.
