Date: 27.02.2025

Subject: Minutes of Second (2nd) meeting of National Working Group (NWG)-15 corresponding to ITU-T Study Group (SG)-15 held on 27.02.2025.

The Second (2nd) meeting of National Working Group (NWG)-15 corresponding to ITU-T Study Group 15 regarding “*Networks, Technologies, and Infrastructures for Transport, Access & home*”, reconstituted for the Study Period 2025-28, was held on 27.02.2025 under the chairmanship of Sh. Rakesh Desai, DDG(FA), TEC through video-conferencing. The list of participants is placed at Annexure A.

2. At the outset, Sh. Jasvir Singh Panesar, Director (FA) TEC & Convener of NWG-15, welcomed all the participants and briefly explained about the agenda and further proceedings of the meeting.

3. Sh. Rakesh Desai, Chair/ NWG-15 & DDG (FA) TEC, welcomed all participants. He stated that this is a follow-up meeting of 1st meeting and mainly ongoing contributions are being discussed in this meeting to finalise the same as the next meeting of ITU-T SG15 is scheduled at Geneva from 17-28 March, 2025 and the last date to upload contributions at ITU-T portal is **4th March, 2025**. Sh.Desai also requested the contributors to explain modifications done to the last draft discussed in 1st meeting.

After the introduction, discussions were held on various ongoing contributions presented by the contributors.

4. Sh. Rakesh Desai apprised the participants that revised proposal on Indian experience on GRP pole as an Appendix to the L.341 (Q7/15) was incorporated (definitions of various terms) in the TD document prepared by the Editor and this Indian contribution is expected to be approved / agreed in the forthcoming SG15 meeting after discussion in Q7/15.

5. Sh. Jainendra Bahadur from NSCS and other experts from NSCS and CDOT has presented afresh contributions for ongoing work-items, i) Proposed revision of Supplement document G.Sup.PONsec to include security aspects of WDM PON (Q2/15) and ii) Addition of broad architectural diagram of the metro transport network in G.8310 (2020) Amd 1. As these contributions have been presented afresh, NWG-15 members were of the view to have more time to go through the proposed modifications. Further, as these were ongoing work-items, group requested the contributors to highlight their proposed

modifications during the respective discussions in Q2/15 and Q12/15 sessions. The group also suggested the contributors to participate in the subsequent correspondence discussions on the G.Sup.PONsec and revision of G.8310.
