File No. 28-1/2022-MT/TEC

Dated: 14-08-2025

Subject: Minutes of the 4th meeting of NWG-13 corresponding to ITU-T Study Group-13 held on 11-08-2025.

Meeting of the NWG-13 corresponding to ITU-T Study Group 13- "Future Networks and Emerging Network Technologies" was held on 11-08-2025. List of participants is annexed (**Annexure-I**).

2. At the outset, Sh. Amit Kumar Srivastava DDG (MT), TEC and Chairman of NWG-13 welcomed all the participants and highlighted the goal of NWG 13. He also discussed about the SG-13 focus, its questions under study and WPs (working parties). Thereafter, Sh. Sujit Kumar, Director (MT), TEC made a brief presentation about the ITU-T Study Group-13 (SG-13). Director (MT) briefed the focus areas, study items under SG-13. He also briefed about SG-13 which has been divided into four Working Parties, with different questions combined and categorized under them. Director (MT) then briefed about the Regional groups, Focus groups and Other groups under SG-13.

3. All the members were briefed about the **Identified Priority Questions** to be worked upon and requested all the participants to contribute under those questions (apart from contributing to other questions under study of SG-13). The priority questions as are as under:-

Q2/13 - Next-generation network (NGN) evolution by adoption of emerging network technologies

Q5/13 - Applying future networks and innovation in developing countries

Q16/13 - Future networks: Trustworthy and quantum enhanced networking and services

Q20/13 - International mobile telecommunications (IMT) networks and artificial intelligence/machine learning: Requirements and architecture

4. All the members were briefed about the **ITU-T SG-13 Meeting (3-14th March 2025)** where 12 contributions were submitted (6 New work items(NWIs) and 6 for existing work items). The contribution submitted and discussed during the meeting are as follows:

i. **Contribution to start a NWI proposal accepted:**

Q-16/13: Technical Report ITU-T TR. TLMC: "Analysis of trusted life cycle management of communication devices in telecommunication network"

Q-20/13: New work item on ITU-T Y.Benchframe-GenAI "Benchmarking Framework for Generative AI in telecommunication networks"

Q-20/13: New work item on ITU-T Y.ACP-selection: "Requirements and architectural framework for AI/ML-based automated communication primitive selection and optimization in future networks including IMT-2030"

- ii. **Contribution to start a NWI proposal added in the living list: 2**
 - Q-1/13:** Y.AI-MSC: “A study of the use cases and requirements for AI-powered service models in Mine Supply Chain (MSC) with TN-NTN convergence on IMT-2020 and beyond networks”
 - Q-20/13:** ITU-T Y.xxxx: “A framework for GenAI integration in semantic communication pipeline over constrained NTN backhaul”
 - iii. **Contribution to start a NWI proposal Not Accepted:**
 - Q-5/13:** A study of the possible end-to-end application scenarios and requirements for public services deployed in developing nations on networks with RIS empowered last mile
 - iv. **Ongoing Work Items:**
 - Q-2/13:** Two contributions in ITU-T Y.NGNe-cp_mobility: "Mobility management and control framework in evolved NGN control plane"
 - Q-2/13:** Two contributions in ITU-T Y.NGNe-cp_na: “Network attachment control framework in evolved NGN control plane”
 - Q-6/13:** Technical report ITU-T TR.qos-isac: "Study on quality of services assurance for integrated sensing and communication in IMT-2020 and beyond”
 - Q-17/13:** Technical report ITU-T Y. KaaS-reqts "Cloud computing - Functional requirements of knowledge as a service“ – (in living list)
5. All the members were briefed about the **ITU-T SG-13 RGM** (14-25 July 2025) and then contribution submitted in the meeting. The status of the contributions submitted and discussed during the meeting are as follows:
- (i) **Q20/13:** For existing WI on Benchmarking framework on GenAI, contribution was submitted for further development of the document. – **Accepted**
 - (ii) **Q20/13:** Proposals for NWI YSTR.SemComGenAI “Framework for Semantic Communication Pipe-line with Generative AI-based Reconstruction” – **Accepted as New Work Item Proposal as Technical Report**
 - (iii) **Q20/13:** For existing WI “Requirements and framework for AI/ML-based heterogeneous network optimization and automated communication primitive selection in future networks including IMT-2020 and beyond” contribution on new text – **Accepted**
 - (iv) **Q2/13:** Contribution in ITU-T Y.NGNe-cp_mobility: "Mobility management and control framework in evolved NGN control plane” – **Accepted**
 - (v) **Q-2/13:** Contribution in ITU-T Y.NGNe-cp_na: “Network attachment control framework in evolved NGN control plane” – **Accepted**
6. Regarding the upcoming meeting of SG-13, all the members were informed that the next ITU-T SG-13 meeting which is scheduled to take place from 28th October – 6th November 2025 at Tashkent, Uzbekistan. All the members were requested to go through the different questions

of SG-13 and identify the questions which are aligned to their area of interest. It was also suggested to share their willingness to specific questions of SG-13 and share their work in order to build suitable contribution. For that, one to one meeting may also be conducted by NWG-13 management team with them to apprise and develop the ideas/concept to the contribution format. The details of questions of SG-13 along with their term of reference (TOR) are enclosed at annexure-II. To access the on-going work, on-going documents, members requires ties account, and therefore members may contact us through phone/WA/email etc. for arranging the documents are per requirement for better understanding and developing the contribution.

7. Director (MT) conveyed to all the participants that participation of delegates from member state India requires ties account and a mandatory undertaking. The template of the undertaking is as per Annexure-III. For creation of ties account, "[ITU User Account & TIES Services - ITU](#)" may be visited and informed along with undertaking. Based on contributions developed by the members, this office will approach competent authority for approval of Ties account required for participating and presenting the document in the ITU meetings.

8. During the meeting, the names of Sh. Vishnu Ram OV and Ms. Rashmi Kamran were proposed as Vice-chair of NWG-13 and approved unanimously.

9. Towards the end, NWG chair once again requested the NWG-13 members to share their ideas which require to be converted into global standards. Further, he also requested the members to actively participate and contribute in large numbers in NWG-13.

10. The meeting ended with vote of thanks by Director (MT).

(Sujit Kumar)
Director (MT), TEC

Annexure- I**List of participants**

1. Sh. Amit Kumar Srivastava, DDG(MT)
2. Sh. Sujit Kumar, Dir (MT-I)
3. Ms. Jyoti Roat, Dir (MT-II)
4. Sh. Dhanesh Goel, Dir (MT-III)
5. Sh. Drupad Gupta, ADET (MT)
6. Abhijan Bhattacharyya, TCS
7. Ajay Singh, IIT Jammu
8. Atul Joshi, Dir(WA), NCA
9. Dr. Radhika, PES University
10. Mahendra Tomar, NCA Ghaziabad
11. Pranav SINGH, IDEMIA
12. Prince Kumar, ADET, DoT HQ
13. Pushpalatha, SRM IST
14. Ranjana Sivaram Director SMC
15. Revathi Venkataraman, SRM IST
16. Sandeep Singh, NCA Ghaziabad
17. Srinath Reddy Ganta, The AI SCHOOL
18. Thenmozhi M. SRM IST
19. Vishnu Ram OV, ITU
20. Kuldeep, ADET, DoT
21. Kunal Srivastava, DoT
22. Shweta Kiran, IIT Bombay
23. Arjun Singh, WPC, DoT HQ
24. Rakesh Goyal, TEC
25. Vivek Krishna Verma, DoT HQ

Annexure-II**SG-13: Questions under study and their corresponding Term of references (ToR) and work Items (WI)**

Sr. No.	Question Under Study	Links for ToR & WI
1	Q1/13 (WP3/13) Future Networks: Innovative service scenarios, including environmental and socio economical aspects	Terms of reference Work Items
2	Q2/13 (WP3/13) Next-generation network (NGN) evolution with innovative technologies including software-defined networking (SDN) and network function virtualization (NFV)	Terms of reference Work Items
3	Q5/13 (WP3/13) Applying Future Networks and innovation in developing countries	Terms of reference Work Items
4	Q6/13 (WP1/13) Networks beyond IMT2020: Quality of service (QoS) mechanisms	Terms of reference Work Items
5	Q7/13 (WP2/13) Future Networks: Deep packet inspection and network intelligence	Terms of reference Work Items
6	Q16/13 (WP3/13) Future Networks: Trustworthy and Quantum Enhanced Networking and Services	Terms of reference Work Items
7	Q17/13 (WP2/13) Future Networks: Requirements and capabilities for computing including cloud computing and data handling	Terms of reference Work Items
8	Q18/13 (WP2/13) Future Networks: Functional architecture for computing including cloud computing and data handling	Terms of reference Work Items
9	Q19/13 (WP2/13) Future Networks: End-to-end management, governance, and security for computing including cloud computing and data handling	Terms of reference Work Items
10	Q20/13 (WP1/13) Networks beyond IMT-2020 and machine learning: Requirements and architecture	Terms of reference Work Items
11	Q21/13 (WP1/13) Networks beyond IMT-2020: Network softwarization	Terms of reference Work Items
12	Q22/13 (WP1/13) Networks beyond IMT-2020: Emerging network technologies	Terms of reference Work Items
13	Q23/13 (WP1/13) Networks beyond IMT-2020: Fixed, mobile and satellite convergence	Terms of reference Work Items

Annexure- III**UNDERTAKING**

I _____ hereby agree to abide by the guidelines issued by the DoT vide letter no. 7-10/2014-IR and also the following conditions for getting registered as a delegate as part of the DoT delegation to participate in the conference _____ (details)

1. The total expenditure of the visit will be borne by me or my organization and DoT does not have any financial or legal liability for the visit.
2. I will only express the official view as authorized by the Head of the Delegation or as approved by the Indian administration.
3. Once registered for a particular program/ event/ meeting/ conference as a part of official Indian delegation, I will not be a part of any other delegation for that particular program/ event/ meeting/ conference.
4. I will maintain the confidentiality, integrity and sanctity of the internal deliberations, discussions and strategies of the official Indian delegation.

Signature of the Member

(Details: Name, Position and Organisation)

To,

The Dy. Director General (IR)
Department of Telecommunication
Room No. 403, Sanchar Bhawan
New Delhi.
