Subject: Re: Meeting of NWG-13 in September 2025

Dear NWG-13 Members,

Greetings from MT Division, TEC, DoT!

You may kindly refer to the trailing email, vide which, the Tentative schedule of NWG-13 meetings to be held in the month of September was circulated. As per the schedule, the 5th meeting of NWG-13 was to be held today.

You may also refer to the discussion held in 4th meeting of NWG-13, wherein, all the members were requested to go through the different questions of SG-13 and identify the questions which were aligned to their areas of interest. It was also suggested to share their willingness to specific questions of SG-13 and share their work in order to build suitable contribution. In this regard, it may be noted that no contributions/ideas have been received from the members yet.

In view of this, today's meeting of NWG-13 is **postponed** and next meeting of NWG-13 will be held on **16th September 2025**.

In this regard, members are requested to share their contributions/ideas well in advance (by **12th September** for discussion on 16th September), so that, the contributions can be shared with members before discussion in NWG-13. This is required to ensure fruitful discussion in the limited time of NWG-13 meeting and also so that we have sufficient time to make modifications/ amendments before final submission on SG-13 portal. The **last date for finalising contributions through NWG-13 has been fixed as 30 September 2025 beyond which no contributions will be discussed by NWG-13**. All the contributions need to be finalised by 30th September for seeking DoT's approval before final upload.

At last, I would again request all members to share their willingness to work on specific questions of ITU-T SG-13(List of Questions and Rapporteurs) as per their areas of interest/work and share their contributions to the NWG-13 team at dir6g.tec-dot@nic.in, adetm.tec@gov.in and adg-mt2.tec@nic.in, at the earliest possible.
