Dear Sir/Madam,

It is my pleasure to invite you to attend the next meeting of Study Group 15 (Networks, Technologies and Infrastructures for Transport, Access and Home), which is planned to be held at ITU headquarters, Geneva, from 17 to 28 April 2023, inclusive.

Note that the entire meeting will run in English only with no interpretation.

The final logistical arrangements for this meeting are dependent on the COVID-19 pandemic evolution and its impact on international travel. The study group management team, in close collaboration with the TSB Secretariat, will monitor the situation closely. If changes to the meeting arrangements are required, ITU-T experts will be informed via the study group homepage, mailing lists and updates to this Collective letter.

The meeting will open at 0930 hours on the first day, and participant registration will begin at 0830 hours at the [Montbrillant building entrance](#). Daily meeting-room allocations will be displayed on screens throughout ITU headquarters, and online [here](#).

Key deadlines:

17 February 2023	Submit ITU-T Member contributions (via Direct Document Posting) for which translation is requested
6 March 2023	Submit (e-)fellowship requests (via the forms on the study group homepage; see details in Annex A)
17 March 2023	Pre-registration (via the online registration form on the study group homepage) Submit requests for visa support letters (via the online registration form; see details in Annex A)
4 April 2023	Submit ITU-T Member Contributions (via Direct Document Posting)

Practical meeting information is set out in **Annex A**. A draft meeting **agenda and time plan**, prepared by the Chairman of the Study Group 15, Mr Glenn Parsons (Canada), are set out in **Annex B**.

I wish you a productive and enjoyable meeting.

Yours faithfully,

(signed)

Chaesub Lee
Director of the Telecommunication
Standardization Bureau

Practical meeting information

WORKING METHODS AND FACILITIES

DOCUMENT SUBMISSION AND ACCESS: The meeting will be run paperless. Member contributions should be submitted using [Direct Document Posting](#); draft TDs should be submitted by e-mail to the study group secretariat using the [appropriate template](#). Access to meeting documents is provided from the study group homepage, and is restricted to ITU-T Members who have an [ITU user account](#) with TIES access.

WIRELESS LAN facilities are available to delegates in all ITU meeting rooms. Detailed information is available on-site and on the ITU-T website (<https://www.itu.int/en/ITU-T/ewm/Pages/ITU-Internet-Printer-Services.aspx>).

E-LOCKERS are available for the duration of the meeting using delegates' ITU-T RFID identity badges. The e-lockers are located immediately after the registration area on the ground floor of the [Montbrillant building](#).

PRINTERS are available in the delegates' lounges and near all [major meeting rooms](#). To avoid the need to install drivers on delegates' computers, documents may be "e-printed" by e-mailing them to the desired printer.

Details at: <https://itu.int/go/e-print>.

LOAN LAPTOPS for delegates are available from the ITU Service Desk (servicedesk@itu.int) on a first-come, first-served basis.

REMOTE PARTICIPATION: Remote observation will be provided on a best-effort basis for all study group plenary sessions. Interactive remote participation will be provided on a best-effort basis for some sessions. In order to access sessions remotely, delegates must register for the meeting. Participants should be aware that, as per usual practice, the meeting will not be delayed or interrupted because of a remote participant's inability to connect, listen or be heard, at the chairman's discretion. If the voice quality of a remote participant is considered insufficient, the Chairman may interrupt the remote participant and may refrain from giving the participant the floor until there is indication that the problem is resolved. Use of the meeting chat facility is encouraged to facilitate efficient time management during the sessions, at the chairman's discretion.

REAL-TIME CAPTIONING: Real-time captioning will be provided on a best-effort basis for all study group plenary sessions.

PRE-REGISTRATION, NEW DELEGATES, FELLOWSHIPS AND VISA SUPPORT

PRE-REGISTRATION: Pre-registration is mandatory and is to be done online via the study group home page **at least one month before the start of the meeting**. As outlined in [TSB Circular 68](#), the ITU-T registration system requires focal-point approval for registration requests; [TSB Circular 118](#) describes how to set up automatic approval of these requests. Some options in the registration form apply only to Member States, including function, interpretation requests and fellowships requests. The membership is invited to include women in their delegations whenever possible.

NEW DELEGATES are invited to attend a mentoring programme, including a welcome briefing upon arrival, a guided tour of ITU headquarters, and an orientation session on the work of ITU-T. If you would like to participate, please contact ITU-Tmembership@itu.int. A quick-start guide for newcomers is available [here](#).

FELLOWSHIPS: To facilitate participation from [eligible countries](#), **two types** of fellowships are offered for this meeting:

- the traditional **in-person fellowships**; and
- the new **e-fellowship**.

For e-fellowships, reimbursement is provided for the cost of connectivity for the duration of the event. For in-person fellowships, up to two partial fellowships per country may be awarded, subject to available funding. A partial in-person fellowship will cover either a) the **air ticket** (one return economy class ticket by the most direct/economical route from the country of origin to the meeting venue), or b) an appropriate

daily subsistence allowance (intended to cover accommodation, meals and incidental expenses). In case two partial in-person fellowships are requested, *at least one* should be an *air ticket*. The applicant's organization is responsible to cover the remaining participation costs.

In line with Plenipotentiary Resolution 213 (Dubai, 2018), it is encouraged that fellowship nominations take into consideration gender balance and inclusion of persons with disabilities and with specific needs. The criteria to grant a fellowship include: available ITU budget; active participation, including the submission of relevant written contributions; equitable distribution among countries and regions; application by persons with disabilities and specific needs; and gender balance.

Request forms for both types of fellowship are available from the [study group homepage](#). **Fellowship requests must be received by 6 March 2023 at the latest**, sent by e-mail to fellowships@itu.int or by fax to +41 22 730 57 78. **Registration (approved by the focal point) is required before submitting a fellowship request**, and it is strongly recommended to register for the event and to start the request process at least seven weeks before the meeting.

VISA SUPPORT: If required, visas must be requested before the date of arrival in Switzerland from the embassy or consulate representing Switzerland in your country or, if there is no such office in your country, from the one that is closest to the country of departure. Deadlines vary, so it is suggested to check directly with the appropriate representation and apply early.

If problems are encountered, the Union can, at the official request of the administration or entity you represent, approach the competent Swiss authorities in order to facilitate delivery of the visa. Once your registration has been approved by your organization's registration focal point, there is normally a 15-day delay before the visa request letter is issued. Therefore, requests should be made by checking the corresponding box on the registration form **no later than one month before the meeting**. Enquiries should be sent to the ITU Travel Section (travel@itu.int), bearing the words "**visa support**".
